

Saturday, August 18, may be an important day for North Gwillimbury and the people around Willow Beach. That is the day which will decide whether Miss Lillian Holborn will bring legal action against the township council in a lakeshore property dispute. Miss Holborn had fenced off her beach, which she claims is private property, to keep out weekend crowds. The township, claiming

the beach as public property, removed the fence. Miss Holborn has given the township until August 18 to remove the fence. After that, lawyers' instructions are to bring action against the township. Leonard Ellis, a restaurant owner, left, burns trash littered on the beach after weekend crowds had been there. The fence which the township took down is shown by Glenna Topple.

## Drop Housing Plan, No Govt. Subsidies To Offer Low Rents

A ten-house government housing project proposal for Eagle St. has been turned down for the time being by the Newmarket council. An opportunity to add ten more rental houses west of the Armitage Heights was investigated by Mayor Vale recently and council decided Monday night that the rents of between \$55 and \$60 a month would be too high.

"There are no government subsidies under this scheme," said the mayor. "It is not a low rental proposition and I am inclined to think that we should drop the housing idea until the governments take on their responsibilities and subsidize low rental housing."

"They are subsidizing just about everything else so why don't they subsidize housing," he said.

For the ten additional houses, the town would have to contribute seven percent of the cost. The provincial and federal governments would share the remaining cost.

The mayor explained that payment for the houses was spread over a long period to enable the rents to be kept down to \$55 or \$60 a month.

"Otherwise it is just a private enterprise where government is the agent," he said. "It is not really a government sponsored low rental plan provided by subsidies. If we can't get housing in Newmarket for less than that, there is no reason for the town to go in on the proposition."

Councillor Bowser objected and said that he knew of plenty of people who would take a house at that rent. "A fellow from out of town told me the other day that he is looking for a house in Newmarket for just about that price," he said.

The mayor said that it would not be beneficial to Newmarket people, that it would only bring more city people in search of housing.

"I agree. You would only get out-of-town people," said Coun-

## Reeve Scott, Sutton Buried On Tuesday

Charles Scott, reeve of Sutton, died at his home in Sutton on Saturday. He was chairman of the York County police association and well known in county circles but he was best known for work he did in Toronto as a police inspector during the late 1930's.

As head of the morality office in Toronto, he planned raids with the provincial police on gambling clubs which operated in open defiance of the law in that period.

Mr. Scott retired from the Toronto police department in 1942 after 32 years of service. He has been the reeve of Sutton for four years.

He was past president of the Toronto Police Athletic association and was responsible for the financial success of their field days for the widows and orphans

Aurora high school upper school results are found on page 10.

## Mild Polio Case At Lake Wilcox But Say Fewer Sick This Year

George Gourlay, 8, son of Mr. and Mrs. George Gourlay, Lake Wilcox, is in isolation hospital in Toronto following an attack of polio on Friday. His mother brought him to Newmarket and the examining doctor ordered him to the Hospital for Sick Children. The trip was made by police escort.

Tuesday noon, the mother was told that the child "is doing wonderfully well", and on Wednesday, she was told she could expect him home by the weekend.

The York County Health Unit reports that so far, there have been three cases of polio reported this summer along the Lake Simcoe shore, all of them visiting children and all of the at-

tacks mild. A fourth case was reported recently from King township, and one in Richmond Hill and one in Markham township. Dr. G. V. Williams, medical officer of health for Whitchurch township, said that only two cases had been reported in Whitchurch. One from Vandorf, the other Oak Ridges. Both were mild attacks and the patients are under treatment in Toronto. No cases have been reported from King twp.

Doctors generally deplore the extreme publicity given polio cases, pointing out that whooping cough, for example, is far deadlier to children as are some other diseases which are less publicized.

Parents are urged not to become panicky over rumors of polio. It was pointed out that the number of cases this year is less than in last year.

Avoid heavy crowds, make sure of the usual sanitary precautions, and don't let children become overtired, parents are advised. In case of illness, consult the family physician immediately.

### ARE THERE OTHERS?

## Swimming Pool Volunteer

Harry Markham, North Main St., came into The Era and Express office this week to volunteer his labor and time towards the construction of a swimming pool in Newmarket. His offer was passed on to George Haskett, secretary of the floodlight committee. The committee's work is attracting a new interest in the fair grounds as the place for a memorial park which would include a pool.

"There must be many who feel like me, that knowing how to swim is absolutely necessary to every child," said Mr. Markham. "I will do everything I can to help get a pool built. There is no reason why it couldn't be done at little cost with volunteers."

Mr. Markham is not in a position to "head up" a committee, but if direction and planning is provided, he'll make an enthusiastic worker. How many others feel like Mr. Markham? If there are enough, the project will become a reality.

## COMING EVENTS

Wed., Thurs., Fri. and Sat., Aug. 15, 16, 17 and 18—Visit the Summer show and Trade fair in the Newmarket Memorial arena, sponsored by the Newmarket Horticultural Society. Show open to the public daily from 2 p.m. till closing. Admission free. clw33

Coming soon—E. P. Whositt—in to every one of your homes. Whositt? Why it's T.B.M. clw33

## Visit the Trade Fair

## To Face Charge For Attempt To Murder Wife

A Toronto man will appear in Newmarket court on Friday on charges of attempted murder, attempted suicide and carrying a concealed weapon. The charges were laid after an all-night search for Carl McLean, 37, in the Schomberg area.

Mrs. McLean, who lives at Lloydstown, two miles southwest of Schomberg, said that on Monday night, her husband entered her apartment at 10:30 in the evening to plead with her to accompany him to their Toronto home.

He is said to have dragged his wife to his panel truck with a gun in her ribs. Her cries led a neighbor, Bill Baker, to the scene where he found Mrs. McLean wrestling with her husband on the ground.

He snatched the gun from McLean's hand and threw it into a near-by potato patch where it was found later by Chief Constable Art Moody, Schomberg. McLean escaped from Baker and fled in his truck.

Provincial police were alerted and they picked up McLean and found him suffering from an overdose of sleeping pills. He was rushed to Toronto General hospital where he was put under police guard.

McLean has a penitentiary record. Mrs. McLean won a separation from him when he beat her up two weeks after his arrival home from Kingston penitentiary.

## JUNE A BIG MONTH FOR NEWBORN BABES

A record number of births in one month was discovered at York County hospital when statistics were compiled for June. Sixty-five babies were born, 41 boys and 24 girls. Needless to say, nurses and doctors were kept busy but finding nursery space was a big problem.

There was a total of 210 admissions to the hospital in June. Up to the end of the month 1,961 had been patients at York County hospital in 1951.

### WIN AT AURORA

A trebles team skipped by Andy Mursion won the tournament at the Aurora Lawn Bowling club yesterday with three wins for 54 points. Second and third wins were by teams skipped by Charles Fry, Aurora, two wins for 56 points, and Crosby, North Toronto, one win for 53 plus one.

## Big Opening Promise For 'The Best Ever' Fair

### MISSED IN CENSUS? CAN GET FORMS FROM COMMISSIONER

The enumerators for the 1951 census have now completed their work and preliminary population figures will soon be released by the bureau of statistics. However, Peter Burt, census commissioner for York North, stresses the importance of having as complete returns as far as is humanly possible to obtain. No doubt some families were away from home when the enumerator called and some may have been inadvertently missed.

Provision has been made for this. Simply drop a note to Mr. Burt at 70 Brooke Ave., Toronto 12, stating the number in the family and he will mail the necessary forms for completion by anyone who has been missed.

If the opening night crowd is any indication, the third annual Newmarket Trade Fair will be a success beyond its sponsors' fondest hopes. Last night, following a formal opening by Mayor Vale, an estimated 2,000 visitors saw the displays on the floor of the arena.

Few of the exhibitors had anticipated such an opening night crowd. Wednesday is traditionally a dull day in Newmarket and the cold and damp weather was a further handicap. But from the opening at 7 p.m. until closing sometime after 10:30 p.m., the floor of the arena was crowded and the individual exhibits busy with enquiries, explanations and in many instances, sales at special "Trade Fair" prices.

The opening ceremony was informal. Eugene McCaffrey, chairman of the Trade Fair executive, introduced Mayor Vale who, after a few congratulatory remarks, pronounced the fair open. God Save the King was played and the fair launched on its four-day career.

The general impression of first night visitors was that this year's fair surpassed last year. There were more exhibitors, the booths were better decorated and the general impression created by the music and sparkling reflections of the exhibits was one of spaciousness and color.

Lining the walls of the arena floor were general exhibits and in the centre were piano, motor car and marine exhibits. Every inch of space was utilized without giving the arena a too cluttered appearance. There was plenty of room to move about.

The wide variety of exhibits was itself a special appeal. There was everything from a health exhibit, sponsored by the York County Health Unit, to Perrin's bridal display, to what was billed as the "largest Indian" and undoubtedly was.

There was television, heating and interior decoration displays, fabrics and cosmetic displays, fall styles and valuable jewellery and china and glass. Many of the exhibitors are offering prizes each night while others have special Trade Fair discounts.

Another new feature of this year's fair is the organ music. Newmarket organists are taking turns at the console and the music is a delightful addition.

The arena will be open each day until Saturday from 2 p.m. on.

Friday night, after the arena has closed, the exhibits in the Newmarket Horticultural Society's annual glad show will be placed and Saturday morning, judged by Leonard Butt. The exhibits will be left at the arena until after it has closed on Saturday night.

Included in the show are vegetable exhibits and an exhibit of paintings by the elementary school pupils in Newmarket.

## START PAVING AT TOWN HALL SQUARE

The town hall square and the thoroughfares each side of the Newmarket town hall are being torn up this week for paving. Curbs have been built and the entire area will be asphalt surfaced around the building except for a small border of grass.

This week a large piece of the town hall building's foundation above ground level fell out. Old steps on the east side of the building had been removed previously to make room for a sidewalk and at the same place a piece of stone and cement nearly two feet in diameter cracked and fell out. No other damage was caused and workmen have filled in the hole with cement.

## ADD TO POLICE FORCE

The Newmarket police department is expected to acquire an extra constable soon. On Monday night the town council passed a resolution authorizing the addition of a constable to the force. The department would then have a chief and four full time constables.

Residents on Wellington complain that the delivery trucks and milk wagons have no through route and that vehicles are constantly turning around on their front lawns.

Councillor Bowser, who interpreted the preceding remarks as an unjustified attack on him, launched a voluble counter-offensive which rattled the timbers of the building. Mr. Bowser used a wide choice of words to

The North York Humane Society is now equipped with a truck which is stationed at Newmarket and a temporary shelter south of Aurora. The first week the truck was acquired, there were eight calls from citizens to take care of stray animals. Some of the money left by the late John Stallard, Newmarket, is financing the work of the society for the time being but funds are limited. The society hopes to raise money to erect a permanent building at Newmarket called the John Stallard Memorial Shelter. Beside the Humane Society truck, above, is Richard Lawrence, Millard Ave., who is doing Humane Society work on a part time basis.

The Sutton Horse Show last Thursday, Friday and Saturday attracted large crowds from the North York district and even farther. The Sutton show is the first of fall fairs in the county and besides the horse show there are many exhibits in handwork, cooking, crafts and manual training. Mary Burrows, Sutton, won a first prize for this cake she baked.

### BELHAVEN

Many from the community attended Sutton Horse Show and report an interesting time.

Mr. and Mrs. Jack Morton and family of Toronto called on Mr. and Mrs. Norman King on Wednesday.

Mr. Norman Willoughby and boys of Toronto visited his parents, Mr. and Mrs. Egle Willoughby, on Sunday. Billy remained for a few holidays with his grandparents.

Mrs. Hugh Elliott and Mary Lou, Agincourt, visited her sister and husband, Mr. and Mrs. Harry Horner, for a few days last week.

Mr. and Mrs. Norman King and Floyd attended the King reunion held at Mr. Harvey King's cottage on Saturday evening.

Master Floyd King returned to Mount Albert with his uncle and aunt, Mr. and Mrs. Geo. Smalley, for his holidays.

We welcome Rev. and Mrs. J. King back to Belhaven circuit for another year.

Mr. and Mrs. Chas. Reid, New Liskeard, visited Mr. and Mrs. Ormsby Smith on Monday.

Mr. and Mrs. Donald Hoffman, Toronto, spent a few days with Mrs. Hoffman's parents, Mr. and Mrs. Ivan Mann.

Weekend guests of Mr. and Mrs. Lloyd Kay were Mr. and Mrs. Harry Davis, Neil and Mrs. Davis, Sr., Lakeview, and Mr. and Mrs. Ralph Davidson, Leveak.

Miss Lois Holborn spent a few days last week with her grandparents, Mr. and Mrs. Jos. Clark, Tavanshoe.

Mr. and Mrs. Harvey King and Mr. and Mrs. John Morton, Toronto, spent Sunday with Mr. and Mrs. Norman King.

Misses Shirley Anne and Marilyn Fairbairn are having some holidays in Keswick with Mr. and Mrs. Jas. Wright.

Mr. and Mrs. Ken Mainprize, Verdun, Que., and Mr. Floyd Mainprize, R.C.N., visited their parents, Mr. and Mrs. Ross Mainprize, last week.

Mr. and Mrs. Frank Fallington, U.S.A., spent their holidays with Mrs. Fallington's parents, Mr. and Mrs. Harry Ardill, last week.

About 30 guests were present at the party held in honor of Mrs. Holstock's birthday last Thursday.

Mr. and Mrs. Wilmet Kay and Mrs. Eldon Kay, Kingston, visited Mrs. Henry Kay last Tuesday.

Weekend guests at the home of Mr. and Mrs. Selby Fairbairn were Mr. and Mrs. Thos. Syverson and Mr. and Mrs. Fred Blazey, Toronto.

### MOUNT ZION

Mrs. Wm. Glover has been taken to the hospital with a broken arm.

Mrs. N. Hoover, Cote Lake, has been visiting friends in the community.

The Young People's service will be held on Friday evening at 8 o'clock. The topic is Temperance.

Services next Sunday are Sunday school at 10 a.m. and preaching at 11 a.m. Mr. Jonas Shepherd, Sunnisdale, is to be the speaker at this service.

## York Crop Ass'n Plans Two Twilight Meetings

The York County Crop Improvement Association has arranged two twilight field meetings in the county for Friday night of this week, August 17, in the Markham-Scarboro district and Monday evening next, August 20, in the Keswick, Sutton, Pefferlaw area. Owing to the rush of harvesting operations with the farmers busy all day, the association has booked these gatherings or tours to start at 7.30 D.S.T. to provide an hour of daylight before sun down. All those on hand before the zero hour will be eligible for the draw for a "gate prize".

The meeting at Markham will convene at the farm of Harold M. Coakwell, on lot 4, concession 9, Markham, one concession east of Markham village and a mile and a half south of No. 7 highway. Mr. Coakwell last year worked out a plan for picking up his swathed grain with the forage harvester then blowing it into the threshing machine at the barn. He has had enquiries from all over Ontario about his system and he will demonstrate this at 7.30.

Then the group will move to Scarboro to see how E. A.

Creighton is carrying his dairy herd with grass silage and see a grass silage stack. Professor H. Goble of the Ontario Agricultural College will be present to discuss the hessian fly, saw fly and wheat smut.

For the Monday meeting, the assembly centre will be at Frank Marritt's, Keswick. From there the tour will proceed to the oat variety test plots at Erwin Winch's farm at Belhaven. Hay pasture fields seeded in 1950 on the farms of Wm. Latimer of Sutton and Ted Arnold, Pefferlaw, will be visited next on a hit and run schedule. Following this the tour will end up at a flood lit trench silo which has been filled with grass silage. Dr. W. E. Heming of the Ontario Agricultural College will explain the life history and control of the hessian fly and other insect pests as the group sits around for a discussion period.

W. M. Cockburn, secretary of the Crop Improvement Association, states that it is most important to start the program at 7.30 because of the necessity for daylight to see the projects to be demonstrated and suggests being on hand a few minutes early.

## Queensville News

Congratulations to our senior and junior softball teams in each winning a place in the play-offs!

You may think we are unduly proud, but why shouldn't we be? Our senior team has endured the lowest standing in the league for several years, so it's only natural it should eventually be promoted.

Now, folks, come out and support them during the play-offs. They're playing a good game. You'll easily get your money's worth by listening to third baseman Mr. W. Elsbys' chatter. Come and see!

Mr. and Mrs. C. Price and family of St. Lambert, Que., visited Mrs. Price's sister, Mrs. L. Wellman, and family on Wednesday.

Miss Linda Donnell, Newmarket, visited her grandparents, Mr. and Mrs. F. Kavanagh.

Mr. Gib Shaw, Toronto, spent the past week at the home of his sister, Mrs. Ethan Haig.

Mrs. Dorothy Sedore, a former resident here, now at Brantford, visited Mr. and Mrs. A. Maries and renewed acquaintances in the village.

Mr. and Mrs. Allan Cowieson, Toronto, were in the village Saturday after the auction sale of the late Mrs. J. T. Cowieson.

Mr. and Mrs. Rex Smith and Laurie and Mr. and Mrs. Harry Toombs and Dale enjoyed a weekend cruise on the Muskoka Lakes.

Mrs. Reg McIntosh, Doris and Shirley visited relatives in Omeo on Saturday.

Did you do the same as some of the rest of us last week? We looked our Era through twice, hunting the detailed report of our Sports day. We will not give you the list of prizes here as we have the promise it will appear in this week's Era for sure.

A few bills for Sports Day are still coming in but these should all be in shortly. In the near future a public meeting will be called to give you a complete financial report and election of officers for the coming year. We do hope a good many of you will come to this meeting and there you will know just what we have done financially on Sports Day and also for the activities of the past year of our athletic society.

There are also a few rumors of a monster bingo being staged in the arena before long. Just keep listening—we may have more definite word soon.

Miss Gloria and Master John Sennett visited their grandmother, Mrs. S. Sennett, recently.

Weekend guests of Mr. and Mrs. Fred Smith were Mr. and Mrs. Elton Hutchinson, Warkworth.

Mr. John Forbes had the misfortune to have a finger removed while operating a combine at Mr. L. Wellman's.

Mr. and Mrs. Murray Faris and Susan, Bradford, spent Sunday with Mr. and Mrs. Russell Strasser and Reg.

Mr. and Mrs. Cecil Foster and two grandchildren of Brantford are holidaying at the home of Messrs. Lawrence and Clayton Foster.

Mr. and Mrs. Reg Button and family of Stouffville were guests at the home of Mr. and Mrs. Geo. Pearson on Sunday.

Mrs. Nellie Breach, Point Anne, Bay of Quinte, is visiting her sister, Mrs. S. Pepper, and Mr. Pepper.

### PLEASANTVILLE

Mr. and Mrs. Verne Kellington and son Earl of Ravenshoe, were Friday night tea guests at the Greenwood home, also Mrs. V. Kennedy of Toronto spent the weekend there.

Mrs. Earl Toole and Master Elgin Toole spent last week with her sister, Mrs. Irvin Leask, and Mr. Leask at Leaskdale.

Mrs. G. McClure spent last week at the home of Mr. Orley McClure at Manchester.

Mr. and Mrs. Elmer Starr attended the funeral of a cousin at Norwich recently.

Mr. E. Madill enjoyed a motor trip to North Bay and Mattawa a few days during last week.

Rev. and Mrs. Muir had Sunday dinner with Mrs. G. McClure. Mr. Muir expects to be the speaker at the Union church again on August 19.

Mr. and Mrs. Clarence Atkinson of Bethesda had Sunday dinner with Mr. and Mrs. M. Sheridan, the occasion being a birthday celebration of the two sisters, Mrs. Atkinson and Mrs. Sheridan.

Mrs. Roy Harper and three children returned home on Sunday after a week's holiday at Sandy Lake.

Guests for Sunday night tea at Mr. M. Sheridan's home included Rev. and Mrs. Shepherd and four children from near Stayner, Mr. and Mrs. D. Sheridan and children, also Mrs. D. Harrison and three children of Aurora.

Mrs. Watt and Brian of Toronto, also Mrs. Glover Sr. and Miss Glover of Toronto were guests last week at the W. Glover home.

Mr. and Mrs. Kaits and four daughters of Kirkland Lake returned to their home recently after spending a couple of weeks at the home of Mr. Wm. Walker.

Mr. and Mrs. M. McNicol were Sunday guests of Mr. and Mrs. Gordon Carr, Keswick.

Little Miss Nicki Glover spent a few days last week with her aunt, Mrs. Hart, in Toronto.

### VANDORF

A family reunion of the Ransom family was held at Sharon Temple on Sunday, Aug. 12. About 75 members attended. It was planned to hold their picnic annually and the officers chosen for the coming year are: Mr. Stanley Ransom, Richmond Hill, president; Mrs. Wilfred Lundy, Aurora, secretary-treasurer and Mr. Charlie Penfold, Aurora, sports convener.

Mr. and Mrs. Norman Burns, Miss Jean Lundy and her friend Miss Joan Storms, all of Toronto, spent the weekend with Mr. and Mrs. Wilfred Lundy.

Mr. and Mrs. Frank Newton of Edgely had Sunday dinner with Mr. and Mrs. W. H. Kingdon.

Mr. and Mrs. Murray Dike of Montreal, Mr. Oliver Dike and Miss Hazel Dike, Fenelon Falls, had Sunday tea with Mr. and Mrs. James Oliver and Ruth.

Master Billie Morley spent a few days with his grandparents, Mr. and Mrs. H. A. White and family.

Miss Barbara Bramhill visited Miss Ruth White last Wednesday.

Mrs. Clayton Pogue entertained on Thursday afternoon in honor of her daughter Martha Ann's birthday. Those who were invited were Misses Shirley Eade, Agnes Crawford, Gail and Nancy Aylett, Margaret and Lynn Hillary, Susan and Wendy Dewsbury, Susan Starr, Sandra Mills, and Ruth White.

Mr. and Mrs. George Richardson motored to Pictou on Sunday. They visited Mr. Bill Bentley.

Mr. and Mrs. Grant Morley and Billie had Sunday tea with Mrs. Morley's parents, Mr. and Mrs. H. A. White.

### MOUNT PISGAH

Mrs. Kirstine was hurt in a car accident and in the hospital for a few days, but she is home again now and gradually getting better. Best wishes are extended to her for a complete recovery real soon.

Mr. and Mrs. Garnet Evans and Donald visited Mr. and Mrs. Doug Harding at West Hill on Sunday.

Mr. and Mrs. Carson and Doreen, Bowmanville, were guests of Mr. and Mrs. Les Smith for Wednesday night's supper.

Mrs. Aubrey Barker and children of Toronto are visiting Mr. and Mrs. Harry Smith for a few days.

Carlisle and George Boynton are holidaying with their aunts, Mrs. O'Sullivan, and Miss Alma Carlisle, at Belle Ewart.

Guests at the home of Mr. and Mrs. Roy Smith and Shirley during the weekend were Mr. and Mrs. Wm. Gibney, Toronto, and Mr. and Mrs. Nelson Stephenson and family of Toronto. Mr. Ralph Stephenson, Toronto, is staying with the Smiths for a few days.

Mr. and Mrs. Ed McCloghan and Ann Marie, Toronto, were Sunday supper guests of Mr. and Mrs. J. MacDonald and family.

Mrs. Russell Gray, Uxbridge, is visiting Mr. and Mrs. Elmer Gray and family for a few days.

Mr. and Mrs. Stewart Duncan accompanied Mr. and Mrs. Russ Gemmill and Jackie to the Parry Sound district last weekend and called on the Terrys.

Miss Dianne Deeks, Preston, visited her grandparents, Mr. and Mrs. N. Brown, all last week.

Mrs. M. Duncan, Ann and Michael and Mr. Archie Gillis, Toronto, are holidaying with the Learys.

Mr. and Mrs. Les Smith and Norma visited Mrs. Cohn at Unionville on Sunday.

### MOUNT PLEASANT

Mr. and Mrs. North (Lillian Fenton) of Vancouver are visiting relatives in the community.

Mr. and Mrs. Ralph Davidson of Leveak and Mr. and Mrs. Harvey Ferry of Toronto had Sunday supper with Mr. and Mrs. Robt. Davidson.

Mr. and Mrs. North had Monday dinner with Mr. and Mrs. Bernard Davidson.

Miss Thelma Bosworth of Toronto spent the weekend with Mr. and Mrs. Jack Bosworth, also attending Sutton Fair.

The Women's Guild will meet at the home of Mr. and Mrs. Wm. Moulds on Tuesday, Aug. 21, at 2.30 p.m. All are welcome.

Mr. and Mrs. Leslie Stephens had a family gathering at their home on Sunday after the christening of their two grandchildren at the Bethel church on Sunday morning.

The Story Of SHARON

WHEEL WILSON TREWELLA

This is the tenth installment of a continuing  
"Story of Sharon" from its founding to the present. The  
story was written after almost two years of research  
and will, we believe, be a major contribution to know-  
ledge of the past. The remaining installments will  
follow weekly.

The following is probably the  
only first-hand description of the  
early Sharon Band to be ob-  
tained. W. L. Mackenzie tells  
that he attended a preparative  
meeting of this newly establish-  
ed set where "around a table  
15 or 20 men and six or eight  
young women were arranged.

"The first tune played was  
Darlington. J. Willson and Teb-  
bits each performed on the vi-  
olinello; Jesse Doan and Ben-  
jamin Dunham on first and sec-  
ond clarinets; Charles Doan on  
a bassoon; Richard Coates and  
Hugh Willson on concert horns;  
Job Hughes on a violin; Ira Doan  
on a flageolet; Charles Haines  
and Joshua Harris on the Ger-  
man flute; Judah Lundy and  
Enos Doan on octave flutes . . .  
"It was very delightful . . .  
Westminster was the next tune,  
after which the females sang a  
psalm to the music of Cornish,  
they concluded by performing a  
solemn Scottish air."

The author expressed high  
anticipation for the music to be  
heard when "the large full-toned  
and soft-set organ, built by Mr.  
Coates of York, shall be set up."  
He tells, too, that at the meet-  
ing for worship there was a con-  
gregation of approximately 300  
persons, that the women singers  
had very fine voices and all were  
dressed in white.

As a matter of interest a num-  
ber of the books used by the  
Davidite musicians and singers  
are still in existence. - Mr.  
Charles Lewis of Yonge Street  
has several of them, and they are  
in splendid condition. Mr. David  
McFall, a grandson of David  
Hughes, of Toronto, also posses-  
ses some of this music which he  
prizes and uses.

Fame of Sharon

From this time forward the  
names of Sharon and Music be-  
came synonymous. This brass  
band was accorded a prominent  
part in the religious service and  
earned a good reputation for it-  
self. It later became the famous  
Silver Band when about the year  
1860 a set of silver instruments  
was purchased at Boston at a  
cost of \$1,500. From 1864 to 1867  
several of the bandmen purchas-  
ed their own instruments in  
New York.

The two large bass horns,  
owned by Charles G. Ham and  
George M. Doan, were particu-  
larly fine and were bought at  
cost of \$125 and \$145, respect-  
ively. Other members of the band  
secured their instruments by  
assistance from the funds of the  
Society. Anna Doan played the  
bass horn in this famous band,  
Hannah Graham and Hannah  
Willson each played the cornet.  
Jesse Doan's special instrument  
was the clarinet of which he  
was a master.

J. D. Graham was a good cor-  
net player. Job Hughes played  
the bassoon until 1857. As soon  
as he stopped playing, the in-  
strument was placed in a corner  
of his home. Job Hughes was a  
martyr to arthritis. David  
Hughes, a son of Job, took a  
leading part in cornet work as  
long as he resided in Sharon.  
After he moved to Bolton he be-  
came the first leader of the Cit-  
izen's Band, May 15, 1885.

In the Temple at Sharon is a  
photograph of this band of 1865.  
Absalom Willson, John D. Gra-  
ham, Amos J. Hughes, Daniel  
Doan, D. L. Willson, Jesse Doan,  
Jr., Jesse Doan, Sr., the leader,  
Charles E. Lundy, David W.  
Hughes, Amos H. Wilson, George  
M. Doan, Charles Graham.

At the Town Meeting House  
a long table extended between  
the front and back doors and  
around this the band sat and  
played sacred music. The wom-  
en sat on one side and the men  
on the other. David W. Hughes,  
in his Recollections, speaks of  
the melodeon in his father's  
home. The keys and pedals  
were removable and often the  
instrument was placed in a wa-  
gon for conveyance to Holt and  
other nearby places when David  
Willson held meetings.

Jesse Doan frequently was  
asked to play for dances on the  
boat excursions around Lake  
Simcoe but he never permitted  
his family to take part. The de-  
termination of one Sharon wo-  
man, Maria Graham, wife of Job  
Willson, to study music was  
shown when she carried the me-  
lodeon to the pig pen where she  
could be by herself. She trained  
herself to be a splendid musi-  
cian.

mous band which had appeared  
in print have been preserved.  
In January, 1865, the "celebrated  
Sharon Band plan to give an en-  
tertainment at Uxbridge and  
Stouffville. Friends in those lo-  
calities may reckon on a rich  
treat for Sharon musicians, are  
hard to beat."

At the June Feast in 1861 the  
Band appeared in their new uni-  
forms of blue. In 1869 the Sha-  
ron Silver Band was engaged to  
play at the Newmarket Domini-  
on Day celebration. In Sep-  
tember of 1870 these players  
again were newly uniformed at  
a cost of \$300. They looked  
splendid at the Feast. The uni-  
forms were made by Mr. R. H.  
Smith of Newmarket.

In 1871 the band went to Tor-  
onto to play at the St. Patrick's  
celebration, and the following  
year, 1872, competed in a band  
tournament at the East Gwillim-  
bury Fall Show held at Sharon.  
Prizes were offered in values of  
\$40, \$25, \$15 and \$10, and the  
evening concluded with a grand  
promenade concert. When Dr.  
D. W. Lundy returned to Cana-  
da to take up practice in New-  
market the silver band serenaded  
him at his father's residence. To  
celebrate the Royal Birth Day in  
1874 Sharon put on a grand en-  
tertainment of field sports and a  
sham fight. A concert follow-  
ed in the evening under the aus-  
pices of the Silver Band at which  
Newmarket Band assisted.

"Not One Whit Behind"  
In January of 1866 the follow-  
ing appeared in the Newmarket  
Era: "As is customary to keep  
you posted on matters relating  
to our social amusements as well  
as other weighty matters, I have  
assumed the prerogative of a  
correspondent and announce to  
you that I attended the Sharon  
re-union held in the town hall,  
Sharon, under the auspices of  
the Skating club.

"You may write about your  
Newmarket re-unions but we  
consider that Sharon is not one  
whit behind you in either ele-  
gance of selection or ability of  
execution. The large hall was  
crowded. A gentleman of the  
neighborhood was manager and  
opened the entertainment with  
appropriate address. The well-  
known Sharon band was first in-  
troduced by a choice selection.  
It is no trouble for that band to  
discourse sweet music.

"The Glee Club sang The  
Farmer's Home; Miss Wallis of  
Yorkville sang 'Thou Woundest  
the Spirit that Loved Thee ac-  
companied by Miss Hogaboon.  
Followed an orchestral selection  
from Mozart. D. L. Willson sang  
Bonnie Blue Flag and Mr. C.  
Yeatman rendered a comic song.  
J. W. Edmund contributed a  
reading from The Pickwick Pa-  
pers. J. H. Hughes sang Of the  
Thousand Years for which he  
was heartily encored and to  
which he responded by Tramp,  
Tramp, Tramp, the Boys are  
Marching. The artists were re-  
peated in the second half of the  
program with the addition of a  
reading by John T. Stokes - The  
Union Jack."

Not One Equal to Sharon  
In November of 1866 large  
posters had been put out adver-  
tising a concert in aid of the An-  
glican Church, newly opened.

"The night was very dark and  
the road was very muddy. The  
horse led the way. The concert  
was opened by the old Sharon  
Silver Band playing a Grand  
March by Wade. I have heard  
many amateur bands but never  
one equal to Sharon. The Sha-  
ron Choir sang in a style other  
choirs would benefit by copying.

"The program consisted of a  
piano duet by the Misses Collins  
of Newmarket and a song by  
Miss James of Newmarket. Miss  
Jenny Culverwell sang The Gyp-  
sy Girl. She had a fine voice  
and a good command but we  
old-fashioned people like to hear  
the words as well as the tune.  
I feel proud of our local talent.  
Mr. A. A. Y. Ramsay of Newmar-  
ket also sang.

"Really, Mr. Editor, if there  
is a band in Her Majesty's Do-  
minion which can touch the glo-  
rious notes of the National An-  
them it is the old Silver Band  
of Sharon. Yours truly, Char-  
lie."

ACROSS THE SEA

Newmarket, England

By E. L. JEFFERY

Editor, Newmarket Journal

It is the afternoon of the August Bank Holiday.  
After a glorious Sunday which tempted even me—a real  
stay-at-home-Sunday man—to pack the family into the  
car and make the 60-mile trip to the coast, coaches and  
cars have been streaming through to the seaside all  
morning despite a gloomy weather forecast.

The forecast has proved only too true, for about mid-day, the  
clouds started to dispose of their  
contents and now, three hours  
later, it is still raining steadily.  
Knowing that duty called me  
elsewhere, the family has gone  
to the cinema where Tarzan is  
performing more of his deeds.

The duty call was to the local  
sports ground where a sports  
and gala was due and would un-  
doubtedly have beckoned many  
hundreds. But what a scene of  
desolation. The radio is trying  
to keep the organizers cheerful  
but flags are sodden as they flap  
and the boxing ring promises  
anything but excitement.

In the pavilion, a few hopefuls  
are watching the clouds between  
games of darts and trying to  
make up their minds whether to  
postpone the function or keep  
on hoping. The outlay has to be  
considered and regular calls are  
being made on the telephone to  
those who record the rainfall to  
find out if sufficient has fallen  
to gather the insurance money.

Having left them to it and be-  
ing in a state of isolation for a  
couple of hours, I wend my way  
back to the office for no news-  
paper man is without some odd  
jobs, especially with press time  
only a few hours ahead. Some  
of those odd jobs are completed  
and the weather has made it im-  
possible to face the others.

One task, however, has been  
troubling my conscience for  
some time past, and it is a let-  
ter to Canada.

Speed Violators

Our Newmarket, since last I  
wrote, has plodded fairly well its  
usual course. We have had sev-  
eral race meetings and there are  
a number of holiday visitors, and

we even have vehicles travelling  
through the town much faster  
than 30 miles an hour. All the  
roads are signposted "30" and  
the traffic police take in a regu-  
lar half dozen offenders, but  
still the cure is not complete.  
The one remarkable feature —  
and we must be thankful for it  
— is that the tremendous volume  
of holiday traffic which has pas-  
sed through in the last few days  
has done so without injury.

What we describe as the  
American "twang" is now an  
everyday feature of life, and  
many of us have made good  
friends with the servicemen and  
their families. In fact, those  
long, sleeky cars with their left  
hand drives have done much to  
boost the traffic. With a wait of  
anything up to five or six years  
for us to obtain a new car, we  
are wondering how many will  
eventually have British drivers.

The state of the car market is  
that recently I sold a dilapidated  
1936 model for practically the  
price I paid for it six years ago.  
A good second-hand car will  
fetch more than a new one (if  
you can get one). Should a new  
car eventually come to hand you  
have to give a covenant that it  
will not be re-sold for two years.

Festival Crowds  
The Festival of Britain is  
drawing huge crowds in London,  
and the Newmarket Chamber of  
Commerce is holding a special  
Festival week this month. The  
main feature is a shopping com-  
petition together with an exhibi-  
tion to show Newmarket's history  
and other social events. We  
wish some of you could join us.

The scars of the wartime  
bombing are gradually disap-  
pearing and the opening of a fine

new post office in the near fu-  
ture will remove one more.  
However others still remain and  
hit the eye as one wanders along  
an otherwise very attractive  
main street.

And now, a pleasant task com-  
pleted, I look forward to holi-  
day time. It is not Cornish cream  
and cider this year but a tour of  
the industrial and historical  
north. It is surprising how we  
can live only 100 miles or so  
from it yet never visit it. I had  
better add that a 13 year old son  
has had something to do with the  
decision.

IN EVERY CLASS.. LIGHTWEIGHT

For stamina and hauling  
power, Chevrolet truck en-  
gines are "knockouts" too.  
And, of course, all three of  
the famous Chevrolet Truck  
engines — the 92-HP Thrift-  
master, the 105-HP  
Loadmaster, and the  
massive, 114-HP Tor-  
quemaster — are justly  
renowned for their  
amazing operating  
economy.

In every size and weight class, Chevrolet Trucks  
have every feature that contributes to better  
haulage at lower cost. Sturdy, durable frames  
... powerful, fast-acting brakes with hermeti-  
cally sealed brake cylinders ... silent, smooth,  
ruggedly-built synchromesh transmissions are  
among the many features that help to make  
Chevrolet trucks tops for value and perform-  
ance. The stake truck illustrated is just one of  
the many versatile performers in the medium  
range of Chevrolet trucks.

Combining smart new styling with utility,  
Chevrolet pick-up trucks are speedy, rugged  
all-purpose units. Like Chevrolet panel trucks  
and the distinctive sedan delivery, every unit  
offered in the big Chevrolet selection of lighter  
models is a masterpiece of practical, durable  
construction and time- and money-saving  
features.

The NEW and  
MIGHTY  
CHEVROLET TRUCKS  
... THE WINNERS!

For the biggest, heaviest loads, and the longest toughest hauls, you can put  
your faith in Chevrolet trucks — and be sure of top-flight performance and  
maximum operating economy. In the heavy-duty field as in every other,  
Chevrolet trucks are designed and engineered to provide the greatest  
possible load space at lowest cost, combined with operating economy,  
equalized weight distribution and easy handling. Whatever your haulage  
needs, you can be absolutely sure there's a Chevrolet Truck that's exactly  
right for your purpose. See your Chevrolet Truck dealer!

## Pages from the Editor's Notebook

We have had two letters recently in as widely diverse subjects as the maintenance of old country graveyards and the use of waste and timber land in North York as public parks. On the first, our correspondent writes:

"Couldn't the Era do something editorially to have some improvement made in neglected cemeteries which exist in the northern parts of the county? It is particularly noticeable after reading one of the interesting articles on the early days of the pioneers of the Sharon vicinity, to drive up the Lake Simcoe road and see the neglected condition of the cemetery in Sharon." He mentions too the old Selby Burial Ground north of the village.

The Era has been trying to do something 'editorially' for some years without too much success. The fact seems to be that with our concern for the living to the neglect of the past, there just doesn't seem the sufficient public interest to "do something". The last time the Sharon cemetery was in the news, it was because the council, on its annual inspection trip, found several stones overturned by vandals.

We don't suggest that we must worship the past and scurry about in an attempt to restore it simply for the accomplishment itself, but the way in which we so carelessly ignore even the simple decency of a tidy burial ground merely points up that disinterest in our tradition which the Massey Commission found so prevalent.

Our second correspondent is the owner of land out Sharon way upon which there is a large tract of bushland which he has carefully preserved but is concerned that, with his death, it may be ruthlessly cut down as has been done in so many other instances. At present, the county has a law which restricts the carefree cutting of other days but it does not offer the complete protection our correspondent desires. He writes:

"Some intelligent person suggested that Toronto buy park spaces outside the city. . . I offered my land to the city . . .

but it was turned down. While I live it will be protected but after that, it would be a shame to have some vandal tear all that beautiful bush out and that's what will happen.

"One English institution we could well copy here is the estate and farm combination which has done so much towards the preservation of game and the beautification of the countryside.

"This question of the utilization of poor marginal land is a big one in this country and deserves more attention."

If the population in the Toronto area continues to expand the area will be badly short of recreation space. We have heard that the Humber Conservation Authority plans parks at the headwaters but there can never be enough such facilities, not for a city which is so jammed and packed that its inhabitants flee it at every opportunity.

We doubt, though, if the city will worry about it until, as usual, it is too late. Then they will probably appropriate the land. . .

Our correspondent speaks of the problem of marginal land. The fact is that there is plenty of good farm land which has been abandoned. The problem as we see it is not so much the reclamation of marginal land as it is the returning to production of abandoned land.

We hope to extend to the Newmarket Journal in England something more than journalistic greetings although unfortunately, it must be done by proxy. Harold Simmerson, who left Newmarket last week on his way to England, says that he expects to be in Newmarket and promised he would drop in on The Journal.

We hope he can make the trip. We are frequently running across references to our English counterpart, former servicemen who have been there, immigrants who are familiar with the district, and so on. In a recent issue of McLean's Magazine, Beverley Baxter writes at some length of a visit there where "the horse is king".

## From the Files of 25 and 50 Years Ago

AUGUST 13, 1926

AUGUST 16, 1901

One hundred relatives of the Smith family gathered at the Stephen Howard homestead in East Gwillimbury and held their annual reunion. After ball games and races supper was served on the lawn. Relatives were present from Chicago, Utterson and Toronto.

The North York Reform Association has engaged rooms south of the Palace theatre as the headquarters for North York during the present election. Mr. A. D. Bruce, Unionville is in charge.

Good market last Saturday. Fruit was the principal commodity though butter and eggs were plentiful. Prices were inclined to advance. Ruling prices were butter 30 to 37 cents a lb., eggs from 28 to 33 cents a doz., potatoes 50 cents a basket, ripe tomatoes 20 cents a lb., cherries were 50 cents a small basket and from 75 cents to \$1. large basket, red currants 15 cents box, 2 for 25 cents, gooseberries 10 cents box, red raspberries, 20 cents box or 15 cents lb. by the pair.

Mr. and Mrs. Robert Harrison, Newark, N.J., were calling on friends in town over the weekend. Mr. Harrison was employed for 15 years at the Office Specialty before joining the Overseas battalion in Newmarket. Since the war he has been living in the States.

Miss Joy Marritt, who has been taking a five weeks' special course in kindergarten primary teaching at the Toronto normal school, returned to Keswick on Saturday. Miss Marritt is to teach in the kindergarten department of a large school in York township in September.

Mr. G. A. Carefoot, Collingwood Collegiate Institute, has been appointed to take the place of Mr. Forbes at Newmarket high school. He is a specialist in science and holds a first class professional certificate. Mr. Carefoot has had six years experience at teaching in public and high schools. His salary is to be \$600 a year.

Fair market here last Saturday. Butter had an upward tendency, as high as 20 cents being paid. Eggs were plentiful and price remained the same as it had for several weeks, from 10 to 11 cents. Green apples sold at 15 cents a peck, pears 20 cents a peck, cucumbers 15 cents a peck, beans 15 cents a peck and black currants 13 cents a quart.

Messrs. Lawrie Cane, Ed Armistage, Bert Marsh and A. H. Winans spent Sunday with friends at Stouffville and Bloomington.

Mr. David Urquhart, who has been in the butchering business in Newmarket for 25 years has sold out to Mr. Wm. Green-sides.

The grandstand at the fairgrounds is to be extended 50 feet to the east and will provide accommodation for 900 spectators.

Houses are being picked up fast by the employees of the shoe factory at Aurora and rents have jumped. Mr. Sisman is in Aurora superintending the instalment of the machinery and Mr. G. H. Phillips is assisting. It is hoped to begin operations September 1.

Miss Amy Robertson leaves tomorrow for Elmville where she will continue as school mistress for another term.

THURSDAY, THE SIXTEENTH DAY OF AUGUST, NINETEEN HUNDRED AND FIFTY-ONE

### AND SWIMMING POOL TOO?

What started out as a campaign for floodlights for the diamond at the old fair grounds seems to be expanding into a much larger campaign for a recreation park. It is an undertaking which is worthy of every support. Newmarket needs these facilities; they can be had if we all share in their accomplishment.

We are not familiar with the committee's plans to bring about the full objective. Perhaps it is a little early to even consider the swimming pool, playground facilities, etc., with the floodlight campaign still to be completed. But we would suggest that when the floodlights are in and paid for, that the committee expand itself to include representatives of all Newmarket organizations and then prepare a continuing campaign for the rest of the park's facilities.

The committee of Messrs. Charles VanZant, A. H. Topham, George Haskett and K. J. Flett are to be congratulated on having accomplished so much to date in the provision of floodlights and the completion of that job is naturally first on the program. But having finished it, is there any reason why their lead cannot be followed and the swimming pool built and the other facilities provided?

Here is an undertaking which should engage the attention of every group in town; it is the kind of project which is truly community-wide. There are several organizations in town which at one time or another have considered campaigns for a swimming pool and the rest. There is, we believe, some funds tucked away for application to such campaigns. Here would be an excellent opportunity for all these groups to come together and work together to accomplish a common purpose. The nucleus of such a group exists in the present committee and a start has been made. Let's finish the job.

### TOPSY-TURVY LAND

The Milk Control Board has formally granted the producers an increase of 35 cents a hundredweight effective September 1. This is not the increase the producers sought and according to the producers' figures, even at the new price of \$4.55, they are selling milk at a loss. Mayor McCallum, as consumer representative to the board, refused to sign the board's price increase order and thereon hangs a tale which is illustrative of whole upside down manner in which milk prices are considered.

The mayor's argument against the price increase was that it would mean 22-cent milk unless the dairies could work out a more economical way of distributing the milk. He wants to hold up the price increase to the producers until the distribution is improved. We know of no other producer which would be subjected to such unreasonable arguments, but the mayor's statements are apparently accepted as quite reasonable among his constituents.

There is no reason on earth why the price paid producers should be subject to considerations arising out of delivery and marketing generally. If the producers were marketing their own milk, it would be different, but the producer sells to the dairy and after that, he has no control over the manner in which the milk is marketed. Why then should his return be considered subject to marketing arrangements?

What makes the mayor's attitude doubly unfortunate is that it is echoed frequently when prices of other farm products are being discussed. The consumer forgets that the economics of production are not a one-way affair. Rising prices in farm products are a reflection of the rising prices of the products the farmer buys from the cities. But because the city consumer is generally represented by strong and highly vocal organizations of one sort or another, only one side of that story is told as was so evident throughout the entire milk price dispute.

### TIME FOR INVENTORY

Isn't it about time we took inventory of our moral values? We have learned with increasing frequency of revelations of corruption and cheating, so much so that instead of considering these revelations as exceptions, we are beginning to think of them as the rule. Something is very wrong with our standards when we no longer protest these disclosures.

It is true that much of what we read about corruption comes from the United States but that is, perhaps, only because in our neighbor the opportunities are greater. Because there is so much in common between the two countries, the immorality there is reflected here. The current "fixed racing" probe at Fort Erie shows how true this is. Statisticians may assure us that those involved in these crimes are only a fraction of one percent of the population. That is not the issue. That fraction of one percent represents the big fish; a goodly part of the rest act in the same way but not to the same degree.

**The state is the servant, not the master, of the people; the state is their guarantee against infringement on their rights, their agent in international and national issues; it is not the function of the state to assume the direction of those activities which rest on individual choice.**

## Office Cat Reports Catnips By Ginger

Princess Elizabeth and the Duke of Edinburgh would have had a busy time of it on their visit to Cuttin Corners in October. A town committee headed by chairman Col. Holland Rivers made large scale preparations for the royal visit. However, there had been some differences of opinion between the Col. and his committee and Mayor Maynott and the members of Cuttin Corners council.

The members of council all had their own ideas about what the royal couple should see when they visited Cuttin Corners.

But there had been a lot of talk about whether the Thimbleberry Fair and Horse Show should be postponed and held during the royal visit. One faction was holding out for the original date to catch the end of the tourist trade. The other faction was patriotic and said that money isn't everything.

The art club wanted to have a royal exhibit and the Handi-women Club would like to have had a display of its weaving of wild Canadian scenes. The Farm Forum wished to put on a pageant to illustrate that "farming is a way of life" and the Thimbleberry Rod and Shot club would like to have preserved some game and forests for the royal couple.

The impending royal visit had at least shown the citizens of Cuttin Corners just how many wonderful things there are in their community. Councilor Bust, the new member of the council, elected last year after a seven year try, had suggested that the committee take the royal couple out to the two new ranch style bungalows at the west end of town "to show how our community has expanded over the last ten years".

The new garbage disposal incinerator was high on the list. Councilor Belyake wanted to show how sanitary the community is and what the administration has done to better the lot of the people. "It's the

people what counts to the royal couple," said Belyake, "and the lookin' after of their interests can be shown in this new garbage disposal plant."

But the news on Tuesday night, a shock to the community, put an end to all the haggling. A pall of gloom fell over Cuttin Corners and there was talk of renewing the rebellion of 1837. Fists were raised in the direction of Ottawa. "We need a change," said the opposition leader, who seized the opportunity and made a torchlight speech in Thimble Park that night.

This was the news: The royal route was not to include Cuttin Corners! Oh royal woe!

The Beagle cancelled its plans to have its staff photographer fly to London to get exclusive pictures of the royal couple. Col. Holland Rivers started thinking of a way to change the royal route. Telegrams were sent to Ottawa. There is talk of a coupe.

The township road gang had a plan that might have worked but word leaked out to the law. They had planned a Cuttin Corners stroke of genius on an extravagant scale. On the night before the royal timetable indicated that the train was leaving, they would tear up the mainline track four miles east of town and re-route the railway through the Main Street. It was a daring idea and it deserves a commendation for the township road crew.

But like many a community in Canada, it looks as if Cuttin Corners will be disappointed. The rebellion of 1837 talk has died down. As a substitute, there is talk of taking the fire truck to the city and stretching a banner over it, "Cuttin Corners salutes the Royal Couple". Deputy Fire Chief P. Ira Maniac objected. "What if there's a fire that day?"

"To heck with a fire," said Mayor Maynott. "We'll pass a by-law that there'll be no fire that day."

## by "Dairy Farmer" The Top Six Inches

Those of us who have followed the milk squabble from its very beginning to the recent third and fourth reversal of the Milk Control Board's decisions have a bitter taste in our mouths. We are desperately tired of it all and very discouraged. As far as we are concerned—and after all, we are the ones whose livelihood really depends on this—we have been kicked about and sold out and now made the goals of a sordid spectacle.

It was astonishing to see how the dairies and the so-called consumer representative were unanimous in their condemnation of the farmers' raise of 35 cents a hundred. One of the vote catchers in that dismal building on Queen at Bay even said that the farmer's price went up five-fold since 1939. Since the price of milk is not up 100 percent since then, the dairies must have made a real pile of money out of milk in 1939. This five-fold business is a falsehood, the kind on which these petty politicians hope to ride to power at election time.

So we are the goats. There is no condemnation of the system of delivery. Nobody talks about the new picked up milk price. All they talk about is the farmers piddling raise.

Well, we are as close to not knowing the solution as we are willing to admit. If it was a ball game, we would suggest that they yank the pitcher. That's the new Milk Control Board. All they do is make a lot of noise but they are not winning any games. Then warn the manager, the provincial authorities, not to sign such ineffectual players. This four-

man milk board was doomed from the start because the idea behind their appointment was unsound. This cry of "hold it milk price" is a political slogan and not a just and economical sound basis for negotiation. Their performance, their continuous reversals of decisions caused muckraking rumors, political deals and bad publicity for us.

After the manager and pitcher, if we really want clean up the league, the next go should be the producer board of directors. We would like to know where the help was that such state of affairs could have developed. Where was the publicity to balance that? Even we ended with. Where the sane voice to point out sordid political manoeuvres made us the goats? The dairies' organization was just bad, a bunch of yes men, lying imagination and drive.

And then finally, let's get of the waterbody, the consumer representative. If the consumer is to be represented, let him be a figure of respect and independence, somebody who realize that this whole milk will have to be solved by thinking and give and take us not fool the public to man whose political future for decision once a year is proper man to represent a biased opinion.

We are sick at heart to member of the judicial should have to sit on a which irresponsibility and political expediency and sighted passing the buck greedy people has turned political dung-heap.

## Keswick Optimist Club Car Draw, Frolic Sept. 1

The Crippled Children and Boys' work funds which are being raised by the Keswick Optimist Club will be greatly extended through the car draw which will be made September 1.

The whole community is uniting to put on a huge "Fun Frolic" Friday, Aug. 31, and Sept. 1, and terminated by a monster bingo and dance Saturday night, Sept. 1. The proceeds of the Fun Frolic will be applied against the arena cost.

There will be 30 attractions. One main one is the Lake Simcoe Antique Show and sale. Contact Mr. J. C. Purdy, Keswick, if you have antiques to show or sell.

## KESWICK

There was an excellent attendance at the United church Sunday morning. The Sutton male quartet provided special music. Mr. George Spears of Toronto occupied the pulpit and was much enjoyed.

Miss Peggy Carr spent the weekend with her cousin in Aurora.

Mr. and Mrs. K. Boothby visited Mr. and Mrs. Donald Marritt who have recently purchased a farm at Maple.

Mr. Wilson Bell and Miss Bell of Coldwater were Sunday guests of Mr. and Mrs. Jas. Wright.

Mr. and Mrs. J. Powers and Mr. Jack Bond of Guelph were calling on friends at Keswick and Keswick Beach on Sunday.

Mrs. H. Kennedy and three children of Toronto are visiting her sister, Mrs. R. Serrick.

Quite a number from here attended Sutton Horse Show Friday and Saturday of last week.

## WILLOW BEACH

The Benefit Bingo held at the Community Hall on Wednesday for Mr. and Mrs. L. Bean who lost their home in a fire was a huge success. The hall was crowded and some were not able to get seats. A substantial sum was taken in from sale of bingo tickets and private donations.

Mrs. L. Grant and daughter are visiting her parents, Mr. and Mrs. P. Reed.

On Thursday, Rita Jacobs celebrated her tenth birthday with a number of her friends in tea.

Mr. and Mrs. Thos. Larkin and family of Montreal are visiting Mr. and Mrs. Bill Thompson.

Master Rodger Magee of Unionville spent a week with his grandfather and grandmother, Mr. and Mrs. M. Sedore.

## Oak Ridges News

MRS. LAURA ROLLING, CORRESPONDENT, PHONE KING 5

### Show Ribbons for Riding Club

The two-day horse show at Sutton fair August 10 and 11 gave Oak Ridges Junior Riding Club ribbons and prominence. Once again president, Anne Rowe, eight, stole the show riding "Teddy", the Hawman pony and pet of the club. Anne placed third in the junior equitation class.

The club was well represented in the show. Miss Marilyn Hawman, riding school teacher, took eight horses and seven children. "Quite a handful but a dandy," said Miss Hawman. Teddy, his first year as a show pony, ridden by John Woolley, placed third in the saddle pony class; Sheila Wilkinson, Long Branch, a new member of the riding club, placed fourth on "Cream Puff", owned by Anne Rowe. Ginger, another club pony, placed third in the pony brood mare class and her two-month-old foal, "Shine", won second place. Others riding in the competitions were Deborah Cuthbert, Katherine Gunn, David Harrison, Shirley Ryman and Patsy Raymer, Richmond Hill. Oak Ridges riders will compete at the C.N.E.

### Vacation To U.S.

Mr. and Mrs. John C. Durham left this week for ten days in Wilmington, Delaware, to visit a brother, Dr. Jas. R. Durham. Mrs. H. Loughheed, Barrie, was a weekend guest of her niece, Mrs. Durham.

Sympathy of the community is expressed to Mrs. Durham in the death of her sister, Mrs. Roy Folliott, Temperanceville. Their nieces and husbands, Mrs. Benson and Capt. Bill Benson, Thorncliffe Village; Mrs. Ruth Langmaid, and her husband, Dr. Jack Langmaid, Boston, attended the funeral on Sunday. Their mother was the late Mrs. Garfield Case, the former Velma Stewart.

### Entertains School Mates

All graduates of Aurora high school, Miss Nancy Langley, entertained friends last Saturday afternoon at her home, "Shadowmere Farm", Whitechurch twp., where they enjoyed swimming in Shadowmere Lake and afterward a bounteous supper. The guests were Thelma Gordon, Mary Scott, King, Greta Tienkamp, Kettleby, and Isobel Kyle, Maple. Nancy plans to study finance and commerce at the U. of T. in September. Thelma enters St. Joseph's hospital training school. Mary will take up nursing also and Isobel is now deciding her activities.

Mr. and Mrs. W. H. Huckle motored to Sault Ste. Marie recently to visit their daughter, Mrs. L. T. Baird, whose husband is an engineer in the steel plant in that city. They motored through Tobermory, taking the ferry there. At the Sault, they went on a fishing expedition. Mrs. Huckle described it an interesting place in which to live.

Last winter the Huckles spent three months in Florida and California. The latter country, they say, is less expensive as far as living is concerned, than Canada. They hope to return there this coming winter. At present Mr. Huckle is laying the cement block at Lake Wilcox school.

### Enjoy Northern Vacation Tour

Mr. and Mrs. Grant McCachen with Mr. and Mrs. M. P. Gillham, Detroit, enjoyed a 12-day holiday in the Bruce Peninsula, Manitoulin Island, Espanola, four days at Spanish River, Sturgeon Falls, Temagami, New Liskeard and other towns. They fished here and there and found accommodation easy to find and hospitality everywhere. Mr. and Mrs. Gillham left for their home in Detroit on Monday. Their daughter, Betty, the guest of her cousin, Barbara McCachen, during their absence, returned home, with Barbara a guest at the Detroit home for a time before she takes up professional school teaching in September.

### Rummage Sale

Within a couple of weeks, Mrs. Wm. Ashby will start on a program of rummage sales to raise funds for children's community activities at Lake Wilcox. Last year, with the able assistance of others, she did a goodly-sized job in this respect. The work comes under the direction of Oak Ridges and Lake Wilcox Ratepayers' Assoc.

Mrs. Alfred Ashby, Toronto, spent a few days at the home of her son, Wm. Ashby, Wildwood Ave. Her special delight there is tending her young grandchild, Deborah Ashby.

Mr. and Mrs. Ross Sinclair, Port Credit, called on Capt. E. C. Hawman and Mrs. Hawman on Sunday. The Hawmans were guests at their marriage a few months ago. Capt. Ross Sinclair, the father, a Great Lakes sailor, is an old friend of Capt. Hawman, as was the late Capt. Will Ransom, an uncle of Ross, Jr.

Will Advance Help to S. S. 13 At a meeting of Whitechurch twp. council it was agreed to advance the sum of \$10,000 to the school section at Lake Wilcox to help finance the building of the school. The debenture loan approved by the municipal council earlier has as yet not been before the Ontario municipal board, which is on holidays. It is fully understood that sanction of that body will be given in the near future. The amount of any loan advanced by council will be deducted when the debenture loan goes on the market.

The frame work of the school building is under construction and the roof will be on next week. Mr. Dan Cook, building contractor, stated. Mrs. Cross, principal of the four-room school, is taking moving pictures of the building in different stages of its construction. This could prove an interesting feature when the school is officially opened.

## PINE ORCHARD

Several new homes are under construction in this community.

Mrs. Chas. Morrison and Mrs. H. Sproston, Aurora, were recent guests of Mr. and Mrs. Geo. Sproston.

Mr. and Mrs. Allan Cody visited the sea cadet camp near Midland recently. Their daughter, Miss Isabel Cody, Reg. N., is in charge of the camp hospital.

Earl Johnston is on holidays with his cousins, Bruce and Verne Eveleigh, in Aurora.

Sympathy is extended to Mrs. Wm. Younger and family of Cedar Valley in the passing of Mr. Younger.

Congratulations to Mr. and Mrs. Clarence Foote, Cedar Valley, on the birth of their son.

Mr. and Mrs. Howard McClure spent a weekend recently with relatives at Thornbury and Markdale.

Mr. and Mrs. Elmer Pratt and family of Stroud were Sunday guests of Mr. and Mrs. Rae McClure.

Mr. Douglas Muir, Union church, delivered a stimulating sermon on "Lessons from Life of Nehemiah". It was encouraging to see a goodly number in attendance.

Service on Sunday, Aug. 19, at 11.15 and Sunday-school at 10.15. Mr. John McKay, Toronto, was speaker at Church of Christ on Sunday, Aug. 12.

On Sunday, Aug. 19, Mr. Fred Smart, Toronto, will be the speaker at 11 o'clock.

Mr. and Mrs. Harry Brammer and Laurie enjoyed a motor trip to Algonquin Park, Haliburton, and Peterboro last week. They also called on Mr. and Mrs. Steve Rose, Newmarket, at their cottage at Miner's Bay.

Mrs. Jesse Lundy accompanied Mr. and Mrs. Morrill Davis, Stouffville, on a motor trip to the United States.

Mr. and Mrs. Jack Norris and family, Miss Faye Grindall and a girl friend and Mr. Beverly Grindall, Toronto, spent the weekend at the Grindall home.

Mr. and Mrs. Harry Brammer and Mr. and Mrs. J. Landy called on friends at Collingwood recently. On their return they called for Irene Kowlofsky and Laurie Brammer who had spent two weeks at Church of Christ summer camp at Omah.

David Portingale has returned from three weeks at summer camp.

## IN MEMORIAM

Chadwick—In loving memory of Pte. Harry Chadwick, killed in action, August 12, 1914. We cannot Lord, Thy purpose see But all is well that's done by Thee. Always remembered by Norma.

Davidson—In loving memory of my brother, Jack, who passed away August 12, 1945. Remembrance is a golden chain Death tries to break, but all in vain; To have, to love, and then to part Is the greatest sorrow of one's heart. The years may wipe out many things But this they wipe out never — The memory of those happy days When we were all together. Ever remembered by his brother Phil.

Eade—In loving memory of our dear mother, Mrs. Maud Eade, who passed away August 13, 1949. Dear Mum, we're broken-hearted, Since from us you went away; In our thoughts you're ever beside us.

To help us through each day. We seem to hear you saying, "Dear ones be good and true." May we your treasures in example, Follow the footsteps you have trod. And when our short journey's ended, Be together evermore with God. Sadly missed by her family.

Pegg—In loving memory of a dear father, Stuart Pegg, who passed away August 11, 1950. Farewell, dear father, thy work is o'er, Thy willing hands will toil no more; A loving father, kind and true, No one on earth we'll find like you. Lovingly remembered by Joan, Harold and boys.

Tansley—In loving memory of a dear husband, Alfred Byron Tansley, who passed away August 22, 1945. You left me beautiful memories Often silent tears, But you will always be with me As I journey through the years. You are always in my mind, dear Barney.

No matter what I do, All the time within my heart There is a thought of you. Never for a moment Are you very far away. Absent, yet near you seem And dearer every day. Lovingly remembered by his loving wife, Matilda Tansley.

Thompson—In loving memory of our dear father, Frederick G. Thompson, who passed away August 15, 1950. Let's greatest gift, remembrance Love's greatest love so dear; God called him to sweet rest above, From his suffering here below. A happy home we once enjoyed, But sweet our memories still. Sadly missed but lovingly remembered by his family.

Sedore—In loving memory of a dear mother, Mrs. Florence Sedore, who passed away August 19, 1940. We cannot clasp your hand, dear mother, Your face we cannot see; But let this little token Tell that we still remember thee. Lovingly remembered by Bill, Eva and family.

Thompson—In loving memory of a dear father, Frederick Garfield Thompson, who passed away August 15, 1950. The dearest dad this world could hold, The cheeriest smile and a heart of gold; For those who knew him all will know How much we lost one year ago. Ever remembered by daughter, Frieda, son-in-law, Vernon.

Rev. M. J. Aiken Minister in charge 11 a.m.—Morning worship "Our Constant Contemporary"

Thompson—In loving memory of a dear husband, Frederick Garfield, who passed away August 15, 1950. I have lost my soul's companion, A life linked with my own; And day by day I miss him more As I walk through life alone. My lips cannot tell how I miss him. My heart cannot tell what to say; God alone, knows how I miss him, In a home that is lonely to me. Lovingly remembered by his wife Ariel.

The Cubs of 1st Newmarket pack would like to extend their appreciation to Mrs. W. and Mrs. Thornton, who volunteered their time to cook for our camp. We would also like to thank the many others who helped to make our camp a success.

We wish to express our sincere thanks and appreciation to our many friends and relatives, who were so kind during our recent bereavement, and also to thank them for the beautiful floral offerings. Mrs. Walter Boudah, Mr. and Mrs. Geo. Wilson.

I would like to extend my thanks to my relatives, friends and neighbors, for the gifts of cards, flowers, fruit, etc., on the occasion of my 50th birthday, on Saturday, Mrs. Geo. Scott.

Master David Winkworth, 11, Newmarket boy soprano, was soloist at the wedding of Miss Mildred McBride to Mr. Audley Kirchen in Hillcrest Church of Christ, Toronto, on Saturday. Since then he has been requested to be guest soloist in two Toronto churches soon. David is a pupil of Mrs. J. Eugene Cane.

# News Of The W.I.

News for this column must be in the office Monday night. Copy must be written as briefly as possible and confined to news and reports. Other than routine reports and announcements will be printed separately.

The Queensville branch will meet Wednesday, Aug. 22, at 2 p.m. at the home of Mrs. L. Irwin (note change of date and home). Roll-call: "Where I expect to spend my vacation." The program will be conducted by the club girls with Marion Eves as convener. Hostesses are Mrs. Donald Sennett, Mrs. I. Irwin, Mrs. S. Eves and Mrs. Weston. Come and enjoy the afternoon with our girls.

On Tuesday, Aug. 7, King Ridge branch held its first meeting at the home of Mrs. Bertrand. Mrs. E. West, life member of the Kettley W.I. presided at the official installation of the officers. Mrs. Parks, one of our members, gave a most interesting talk and demonstration on the art of spinning, giving us the history of the various types of spinning wheels since the very ancient times, also the various types of wool used and other materials such as dog's hair and even flax which makes linen thread. She also explained the art of dyeing wool. We are pleased to tell anyone interested in this work they can see Mrs. Parks demonstrating in the women's building at the Canadian National Exhibition on September 3 and three days in the previous week.

We welcomed two new members, Mrs. J. Ball and Mrs. Best, bringing our membership now to 15. Meeting closed with the National Anthem. Present at the meeting were 12 members and three visitors.

The grandmothers' meeting of the Bogartown branch will be held at the home of Mrs. Sydney Legge, Strigley St., on August 21. The program, in charge of Mrs. Elsie McClure, will be provided by the grandmothers. Other members are requested to bring lunch. "How to postpone old age" will be the roll-call for this meeting.

The Pine Orchard branch met at the home of Mrs. Sproston on August 8. There were 30 ladies present. Business was conducted by the president. A donation of money was voted to York County hospital. The program was in the charge of grandmothers with Mrs. Mason presiding. Roll-call was answered by an interesting collection of old time photos. The community girls played old time numbers in costume, the second song "Shortnin' Bread" as colored folks. Mrs.

Andrews - Saunders Amid a setting of gladioli and phlox the marriage of Beverly Mary, daughter of Mr. and Mrs. Orval Saunders, Newmarket, and Mr. Cecil Ross Andrews, son of Mr. and Mrs. Seymour Andrews, Newmarket, was solemnized at the bride's home on Friday evening, Aug. 3. Rev. M. J. Aiken performed the ceremony. Mr. Edward Riddell played the wedding music.

The bride, given in marriage by her father, wore a powder blue sheer gown with white accessories and corsage of pink roses. She was attended by Miss Glenna Riddell in pink organza with corsage of pink roses. The groom was attended by his brother, Mr. Fred Andrews.

The reception was held at the home of the bride's parents where her mother received wearing a beige printed silk dress with matching accessories, assisted by the groom's mother in black sheer.

The couple left for a trip to Muskoka following the reception, the bride traveling in a grey suit. They will reside in Newmarket.

ENTERTAINED AT DINNER Miss Sadie Burrows was entertained at a dinner party at the home of Mrs. Ruth Donnell, Prospect St., Newmarket, on August 8 by the staff of Eaton's order office. Miss Burrows was presented with two pieces of matching luggage. A pleasant evening was spent by the group.

OBITUARY Mrs. S. H. Soper Mrs. S. H. Soper, wife of Rev. S. H. Soper, died August 8 at her home, 73 Castlefield Ave., Toronto, after a prolonged illness. Formerly Maude Florence Fowler, Mrs. Soper was born in Toronto and educated at Jarvis Collegiate and Victoria College. As a girl she attended the old Agnes St. Methodist church and Elm St. Methodist church. In 1912, after her marriage, she and her husband were for 17 years engaged in missionary work in West China. Later, on their return to Canada, she lived in New Liskeard, Brantford, Parry Sound and Mt. Elgin Indian Reservation School where her husband had charge. For the last five years she lived in Toronto.

She leaves, beside her husband, three daughters, Mrs. H. S. Doyle and Mrs. G. B. Warren, both of Toronto, and Mrs. A. M. Wilson, Stratford; a son, Harold S. Soper, Toronto; a sister, Mrs. E. G. Henscock, St. Catharines, and a brother, H. G. Fowler, Newmarket.

Charles William Scott, husband of Beatrice, and father of Lillian and June; ex-staff inspector of Toronto Police Force, and present reeve of the Village of Sutton. Interment cemetery adjoining St. George's church, Georgina, on Tuesday.

Smith—At his home, Mount Albert, Thursday, Aug. 9, 1951, James Smith, in his 68th year, husband of Sarah Leverton, father of Violet (Mrs. Herbert Wagg), of Goodwood, and George. Interment Mount Albert cemetery on Saturday.

Summers—At Holland Landing, on Wednesday, Aug. 15, 1951, Sarah Jane Summers, in her 98th year. Resting at the home of her granddaughter, Mrs. Edward Dutton. Service Friday at 3:30 p.m. Interment Newmarket cemetery.

Watson—At Philadelphia hospital, Newtown, Pennsylvania, August 11, 1951, J. Jay Watson, husband of Mary Phillips, brother of Wilmet M., Mount Albert, Elma, Aurora. Interment Friends cemetery, Brooklyn, N.Y. on Thursday.

ENGAGEMENTS Mr. and Mrs. Frank O'Halloran, Newmarket, wish to announce the engagement of their daughter, Donna Patricia, to Mr. William George James Patrick, son of Mr. and Mrs. William Patrick, Aurora. The wedding will take place Saturday, Sept. 15, in Newmarket.

## Rare China, Glass Shown At Newmarket Trade Fair

A rare and exciting collection of old China and glass is a part of the Newmarket Trade Fair which opened last night in the Newmarket arena and will remain open until Saturday night. The pieces are part of the Nichols collection and most of those shown are the only ones of their kind in the world.

The collection is being shown in Elman Campbell's exhibit and their custodian, Tom Sargent, will be present during the show to tell visitors about each piece. Every piece has a history and Mr. Sargent, because of his long association with the china and glass industry, is able to tell about them, sometimes from first-hand experience.

Among the pieces of china are some from the royal dinner services at Buckingham Palace and Balmoral Palace. There are dishes that served Queen Victoria included in the collection.

There are several beautiful vases, none of which have been duplicated, and signed by the potters who designed them. One vase has an "overflowing" design and presents an exotic picture.

There are gold plates of intricate design, mugs whose colors, although 100 years old, still glow with beauty. There is a sample

of Bohemian glass, intricately cut. Much of the work is by master-potters. Only one piece was finished in each design, a fact which greatly increases the value of the collection.

The collection was made by Emmerson Nichols, son of a family long in the pottery business who this year, at 70, is completing 60 years in the china and glass business. His contacts with pottery makers in England and the continent provided him with unique opportunities to acquire these rare pieces. Some of the original collection is at the University of Western Ontario at London where Mr. Nichols now lives.

Mr. Sargent, who is in retirement after many years as buyer and agent in glass and china, has also brought along a collection of glass objects which demonstrate the many uses made of glass. Mr. Sargent has made a hobby of this and in his collection has everything from lamps as small as tea drops used by surgeons to mops of glass cords used for tarring roofs.

He has glass fabrics, beautifully colored, samples of glass insulations, glass cords, glass fishing rods. He has large blocks of glass which float like cork but unlike cork, do not absorb water.

### FETED AT SHOWER

Mrs. Ken Osborne entertained 16 ladies at a miscellaneous shower at her new home on Roxborough Rd., Newmarket, recently for Mrs. Murray Jelley, the former Margaret Coates.

### GOWLAND - McINNIS

Mixed gladioli formed the setting in St. Andrew's Presbyterian church, Newmarket, on August 4 for a pretty wedding when Mary Ellen Louise, daughter of Mr. and Mrs. Kenneth J. McInnis, Newmarket, was united in marriage to Mr. Joseph Ward Gowland, son of the late Mr. and Mrs. Fred Gowland, Penetanguishene. Rev. Alex McLean, Willowdale, performed the ceremony. Miss Mary Lou Little was organist and Miss Patricia Dunn sang 'The Lord's Prayer' during the signing of the register.

The bride, given in marriage by her father, was lovely in a ballerina-length gown of embroidered organza over blue satin with blue accessories and horse-shoe of white roses.

Mrs. Margaret Weddel was her sister's only attendant and wore a pink nylon ballerina-length gown with horse-shoe of pink and white roses and gladioli.

Mr. Chappy Price, Penetanguishene, was best man and ushers were Mr. Myles McInnis, brother of the bride, and Mr. Alfred Smith.

For the reception at Country Acres, Yonge St., the bride's mother chose a navy blue gown with matching accessories and corsage of red roses. The bride chose a wine gabardine suit with navy accessories for a motor trip.

Mr. and Mrs. Gowland will reside in Niagara Falls, Ont. Guests were present from Chesley, Toronto, Paisley, Woodstock, Oshawa, Churchill, Lefroy and Penetanguishene.

### THOME - BLAIN

The United church manse was the scene of the marriage August 10 of Ayla Ethel Jane, daughter of Mr. and Mrs. Gordon Blain, Newmarket, and Mr. Kenneth Harry Thome, son of Mr. and Mrs. Harry Thome, Newmarket. Rev. M. J. Aiken performed the ceremony.

The bride wore a light blue gabardine suit with navy and white accessories and gardenia corsage. Mrs. A. Blair, the attendant, wore a pink suit with navy accessories and pink carnation corsage. Mr. Archie Blair was best man.

The reception was held at the home of the bride's parents where her mother received in green figured Jersey with white accessories and corsage of white roses, assisted by the groom's mother in mauve sheer with white accessories and corsage of pink roses.

Following a motor trip to New Liskeard, Kirkland Lake and Parry Sound, the couple will live in Newmarket.

### FAMILY FETES

#### 90-YR. SHARON MAN

A surprise birthday party was held at the home of Mr. and Mrs. Herbert Wright on Monday, Aug. 6, for Mr. George Wicks, Sharon, who was 90 years old.

Supper was served on the lawn and an enjoyable evening was spent by everyone present.

Mr. Wicks remarked he was very happy to see his family all together again, as it was the first gathering for a number of years.

About 40 relatives attended including a nephew of Mr. Wicks, Mr. Clarence Morton, and Mrs. Morton of Detroit who arrived for the occasion. Mr. Morton's birthday was also the same day. Others present came from Keswick, Franklin, Stouffville, Ravenshoe, Weston, New York, Toronto, Winnipeg and Bogartown.

### HOPE HOBBY CLUB HAS PICNIC MEETING

The Hope Hobby Club held its monthly meeting at the summer home of Mrs. Carmen Rolling at Sibbald Beach, Lake Simcoe. After a sing song, the meeting was opened with the members' prayer. The roll call was "Your favorite hobby".

The minutes of the last meeting were read and correspondence was acknowledged.

The current events were prepared by Mrs. Eves and read by Mrs. Balsdon. The question box was taken care of by Mrs. Dike. After the meeting was finished by the member's creed, a very enjoyable picnic lunch was served and the hostess served huge servings of ice cream.

The next meeting will be at Mrs. Bales' home on August 21. A good attendance is requested. The roll call will be an exchange of plant slips. Mrs. Dyke will be in charge of the question box. Current events by Mrs. Gerald Nicklin and the lunch committee are Mrs. E. Farr, Mrs. Bond, Mrs. Morton and Mrs. A. Wright.

### HONOREE AT SHOWER BY FRIENDS

A miscellaneous shower was held prior to her wedding August 4 in honor of Mary Ellen McInnis

at the home of Mrs. Myles McInnis, Queen St. About 30 friends and relatives were present and the honoree received many lovely gifts.

The room was artistically decorated with pink and white streamers. A delicious luncheon was served by the hostess.

## WHY TAKE A CHANCE ON THIS

You'll see lots of machines like this advertised by others who have no connection whatsoever with SINGER.

Many of these people take old SINGER treadle heads (some of them 50 years old!)—add motor and parts that are not SINGER—put the machines in new-looking cases or cabinets of different makes—and sell the results as "rebuilt" SINGERS. Often these machines are used as "come-

on" or "bait" to sell other make machines at higher prices.

Obviously these "rebuilt" are not really SINGER Machines. And they are not backed or guaranteed by SINGER. (The only place you can get a used SINGER that has been guaranteed and reconditioned by SINGER experts with all-SINGER parts is at your SINGER SEWING CENTER.) Why take a chance...

## WHEN YOU CAN OWN THIS FOR ONLY...\$89.50

**MINIMUM BUDGET TERMS — LIBERAL TRADE-IN ALLOWANCE**

You can enjoy all the smooth-stitching features—all the dependability—of a brand-new SINGER® Electric Portable Machine for only \$89.50, complete with case. And, behind your machine there is a company known for the superiority of its products and service to its customers.

There are many fine cabinet models, too. Modern, colonial, period styles, in a wide range of prices.

With every new SINGER, you get

- Warranty of manufacturing perfection
- Basic set of SINGER® Attachments
- Famous SINGER Course in home sewing under personal instruction at your SINGER SEWING CENTER
- all at no extra cost!

Doesn't it make sense to choose the finest?

### FOR YOUR PROTECTION

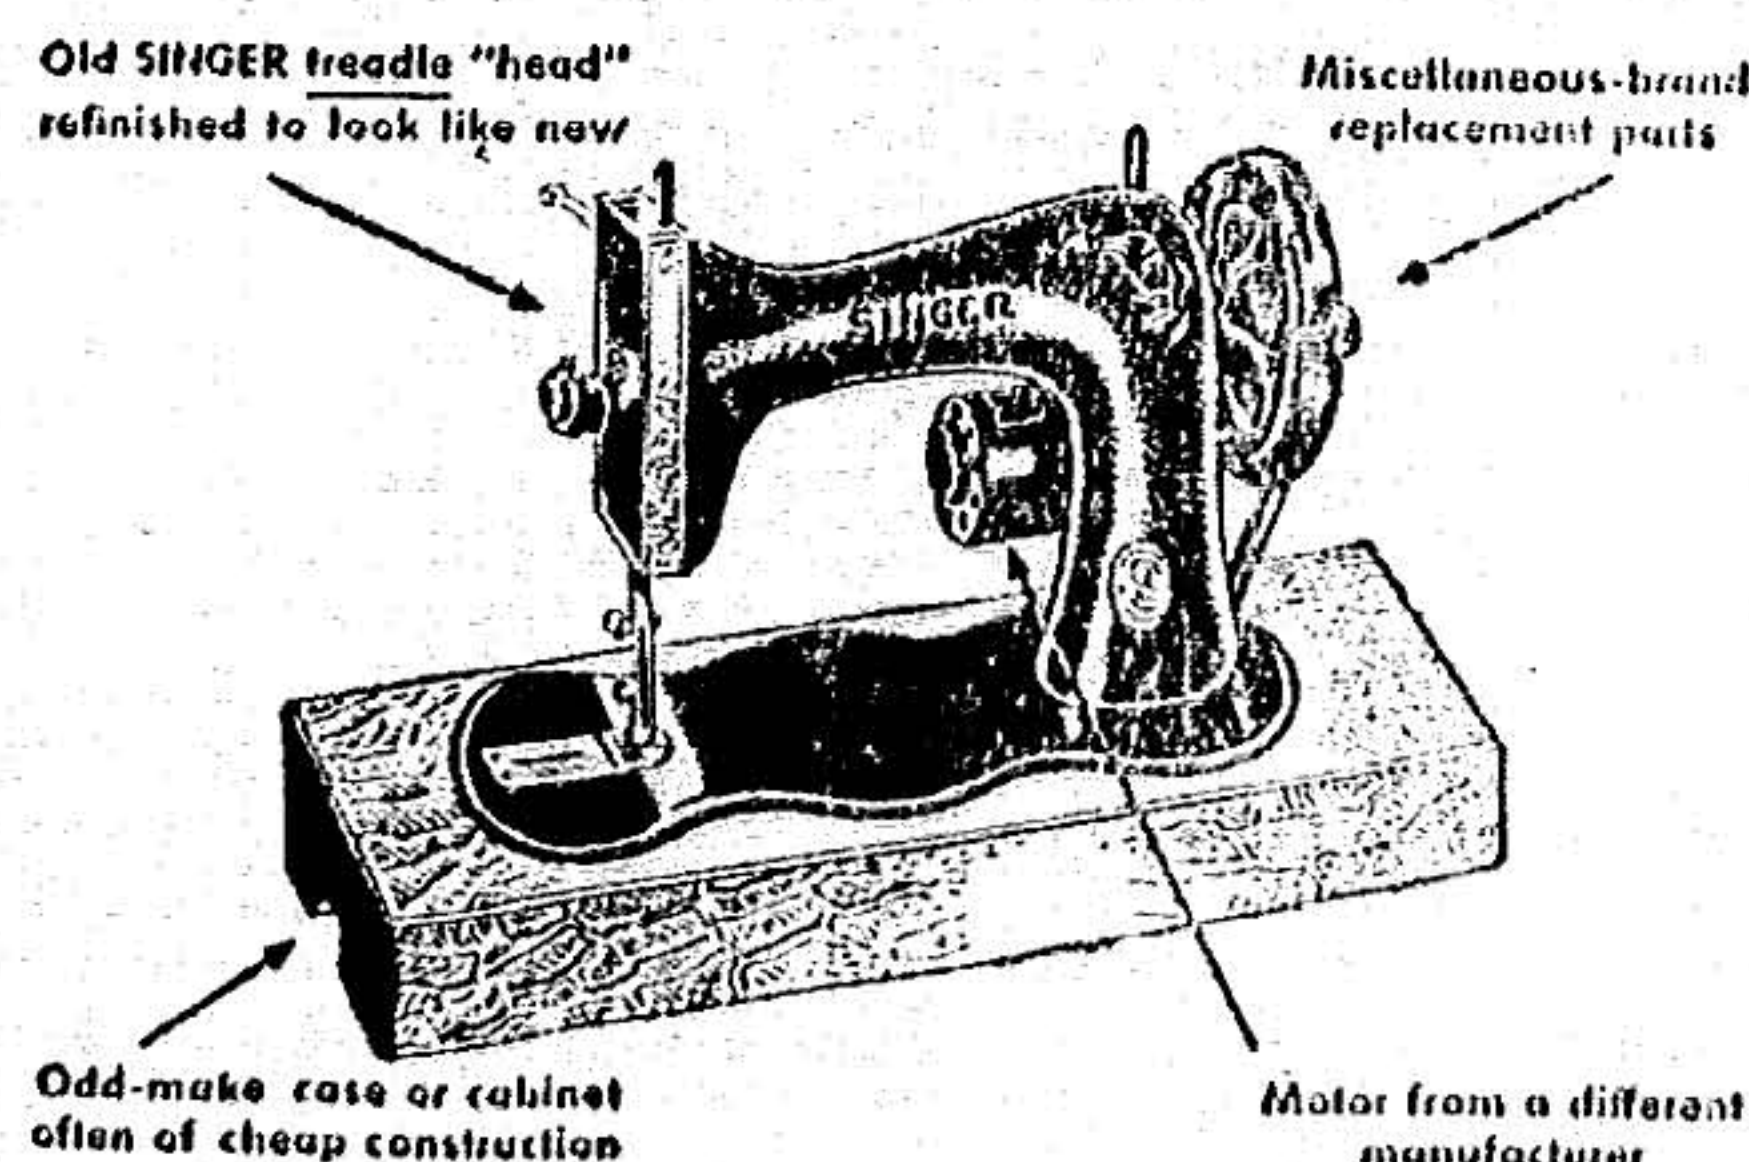

SINGER sells and services its Sewing Machines, and other products only through SINGER SEWING CENTERS, identified by the RED "S" Trade Mark and the "SINGER SEWING CENTER" emblem on the window, and never through department stores, dealers, or other outlets.

Buy your SINGER today at your... **SINGER SEWING CENTER**

## Newmarket Tie Valleys In League Leadership

Newmarket ladies kicked a trio of valuable points into the kitty last week to close up their regular season in the Barrie and District League. Those points gave them a tie with Valleys for league leadership.

A smashing rally that pushed over four runs in the fifth, two in the sixth and four in the seventh enabled Newmarket to dump Valleys 12-1 in Barrie Wednesday. Jackie Moore came up with a well pitched six-hitter. Valleys shoved across three runs in the fourth and a single in the sixth. Hester Clark, playing left field, established herself as a hitter with three to pace the Newmarket attack. Two-hit marks were turned in by Phil McInnis, Lois Blight and Jackie Moore.

With a ring-around crowd roaring approval, Newmarket and Midland "Merchants" battled to an extra innings 8 all tie here Thursday. The game had its usual Midland-Newmarket pattern as first one then the other took the lead. It was tied 7 all at the end of seven. Midland got over a run in the eighth. Mona Dean doubled to open Newmarket half and came dashing home with the tying counter on Pauline Bovair's hit. The ninth opened but was called because of darkness.

Barbara Watt, up from the junior ranks, stroked out an important four-baser with two mates aboard in the sixth to keep Newmarket in the battle. Jeanne MacDonald, Lois Darach, Edna McGrath and Mona Dean marked up two hits each. Midland's top swingers were Frances Brodeur, Pat Beteau and Audrey Scott.

### Diggers Rally In Fifth, Thump Harts For 21-8

action Tuesday after a three-week lay-off. Ditch Diggers and Harts opened the play and Ditch Diggers gave Harts a 21-8 lesson in hitting and running. Behind Alex Campbell's, Bill McGhee's and Sid Aylett's steady thumping, Harts held an 8-5 lead until the fifth. Then the roof fell in as the Diggers fogged through with a tremendous round of base-hits and aided by Harts' errors counted eight runs in the sixth and as many more in the seventh.

Bill Mundell worked the early pitching shift for the Diggers with Mick Sutton polishing off in last two. Doug Richardson took the punishment on Harts rubber. Harold Stephenson slapped two six-run scoring homers to spark the Diggers' plate work. Tracy Barrager and Roy Allan chimed in with a three-hit show.

### Fine McNeill \$5, Give Zephyr Game In Fracas

The fracas that wound up the first round, first game Lake Simcoe Softball League play-off tilt between Willow Beach and Zephyr Friday at the Beach diamond had a full airing before the Simcoe League executive Monday. The game was called in the first of the seventh, Zephyr leading 10-2, after a fan hurled a pail of water on plate umpire Bill Haskett, and Cec. McNeill, veteran Beaches hurler jumped the plate umpire. As a result of the investigation the game remains a Zephyr victory and Cec. McNeill has been fined \$5. The fine must be paid before McNeill can play again.

Isn't it peculiar that the human brain begins to function from the moment you are born, improves as you grow older, then stops completely when you stand up to talk?

### Newmarket, Valleys Play Off Tie Tonight

A tie-breaker between Newmarket and Barrie "Valleys" for first place in the Barrie and District Ladies loop will be played at Stuart Scott diamond tonight, reports league proxy Frank Courtney. The two teams finished in a dead-heat for first place as a result of Midland conceding a Newmarket win in last week's tie game here and a default to Barrie Valleys. Point standing is Barrie and Newmarket; 22 each, Orillia 18, Midland 16 and out of the play-offs Stayner with 4. If Newmarket wins tonight, they'll open their semi-final series with Orillia here Aug. 23. If the locals lose, Midland will be the opposition with the series opener here Aug. 23. Should Valleys triumph they meet Orillia with series opener in Barrie Aug. 22. If Valleys lose, they open Aug. 22 against Midland.

## News Of NEWMARKET LEGION

Twenty-one tired but happy men sat down Saturday evening to an excellent meal in the Legion Hall - provided of course, by the Ladies' Auxiliary - every-one feeling that the splendid meal was a perfect climax to a day well spent. The old kitchen was completely torn down, and the foundation completed for the new one. So ended our second "Bee". Well done fellows!

Any veteran can obtain Exhibition tickets for Warriors' Day, August 25, free of charge, by contacting Bill LaParde, treasurer.

There will be an initiation of new members at our next general meeting, Monday, Aug. 20, as well as the presentation of cups and prizes to the winners of the dart tournament.

August 24, is the date of the next social evening - so bring along your wife or girl friend. Come along early, and have a real good time dancing, playing cards, etc.

Well now, August 29 is a real special date at the Legion. Can't as yet find out for sure what's cooking - but for gosh sakes - keep that evening open!

## Haskett's

**HASH**

BY GEORGE HASKETT  
Newmarket Sports Editor

These are busy times. Mid-summer mushball is reaching a crescendo as the play-offs loom around the Hub. Headline maker last week was the first fling of the grunt and groaners.

Your observer got a bang out of rassin' and it seems approximately 99 percent of the first nighters did too. They're ready to make a run for the Gaudens the next time the grapplers heave in view. That's August 23, by the way, reports rink manager Stan Smith and it's another top-notch card in the making.

After considerable shilly shallying Murray's Hoffman and Smith's Bellmen are hog-tied in fourth in the town league scramble. They settle it Friday at S.S. pastures. Town league execs have hit on a plan (is this necessary?) to make the teams go about their chores in earnest. Winner has a choice of meeting the crippling McComb-Keats Taximen or dropping back for a whack at the Neufeld-Boag Specialties. That's no choice either according to the Office Specialty noon-hour curbside experts.

Cauliflowers and cabbage: It's seldom we have to do this, but there's no getting around the fact two or three Willow Beach fans were guilty of most unsportsmanlike conduct Friday in the Simcoe first round affray. One chappie, who undoubtedly rates the cabbage head award of the week, ups with the water pail and douses plate umpire Bill Haskett. Cec McNeill, Beaches veteran tosser, spills the ump on his very wet jeans.

No matter the provocation, ump's rule is law. Anyhow, had the Beachmen been attending to

### Schomberg, Woodbridge Tied in Peel-York Final

Schomberg and Woodbridge are locked at a game apiece in the Peel-York finals. With Ken Ellison blazing away with his fast one that took down 16 Woodbridge would-be-clouters swinging, Schomberg rolled to a 16-2 triumph in the opening game of the best of five series at Woodbridge last week.

Johnny Kickabell and Earl Kitchener were Woodbridge pitchers.

Don Rainey and Don Marchant delivered the Schomberg one-two punch including home run smashes in the big outcropping of safeties.

Schomberg had its ears pinned back at home as Woodbridge cut loose for an 11-4 win to square the series. Ken Ellison and reliever Doug Brown got little of the support they're accustomed to from their mates who got a jittery fielding display out of their systems. Hitters in the Schomberg ranks were Murray Edwards, who circled the sacks on a home-run smash, and Don Marchant and Bill Breddon who whacked doubles. Third game of the series is expected to be played this week.

### Haliburton Opposition For 'Berg in O.R.S.A.

Schomberg will meet Haliburton in the first round of the Ontario Rural Softball Association intermediate A playdowns, reports Elgin Hastings. First game of the best in three will go under the Schomberg lights tonight (Thursday). Game time will be played in Haliburton Monday, starting at 6:30 p.m. Third game if necessary, will be played on a neutral diamond.

The milk production of a cow is reduced more rapidly by too little water than by anything else.

## Harts Return To Wars 16-7 Over Stouffville

Aurora "Diamond Harts" ladies marked their return to the North York Ladies' Softball League with a batting and scoring spree. Behind Phil McKinnon's seven-hit pitching and extra base drives, they overpowered Stouffville 16-7 at the Aurora park last week.

Aurora counted runs in every innings, staggering the visitors with four-run uprisings in both the second and third. Gwen Myke came up with four hits and outstanding fielding. Phil McKinnon hit for three. Alice Aylett, Agnes Wizner, Marion Campbell and Lou Case also had three hits.

Marion Brown delivered the Stouffville hit punch with three and turned in a sparkling fielding job.

Aurora: G. Myke, A. Aylett, A. Wizner, P. McKinnon, M. Campbell, L. Case, E. Marinoff, B. Case, V. Holman.

## Pontiac

By HOWARD MORTON

For four years we have been selling Pontiac cars and during that time many people have asked: "What does the name Pontiac imply?"

Now that is a perfect opening to go into my story of matchless beauty, perfected power and secured safety.

But in each instance the Quiz Master waited patiently until I had finished and then remarked: "Well, of course I know that, after all we have had a Pontiac for years and have shared in all those features not to mention economy, speed and endurance; everyone knows that all these features combine to make Pontiac the most sought after automobile; everyone knows about the things that have made Pontiac the second largest selling car in Canada. What I want to know is about Pontiac, the man."

The information was not readily available. Canadian history books do not say a great deal about this chief of the Ottawas.

(Advertisement, August 16, 1951)

The reason is apparent. Pontiac in his capacity as chief of the Ottawas brought to bear all the pressure of the tribes under his control against the British and assisted Montcalm in the annihilation of Braddock's Forces in 1755.

In 1763 Pontiac organized a wide spread conspiracy against the British forts in North America. This conspiracy was betrayed to the commandant at Detroit by an Indian girl.

In 1769, an Indian of the Kaskasian tribe murdered the famous chief.

This week at the Trade Fair in Newmarket, we pay tribute to the Indian tribal leader—Pontiac—and to the famous automobile that bears his name. Of course, the beautiful new Pontiac will be on display for your inspection. We will have a few give-outs at certain times each day as small souvenirs of your visit and we also present what is probably the biggest Indian ever to appear in Newmarket.

## For Queensville Flash

Up Queensville way they're celebrating—celebrating the Realtors' jump into the Simcoe league play-offs. And who was the main muscle man to put them there? No need to guess. It was third sacker Wilf Elsy.

In the first tilt for the sixth play-off spot with Belhaven—it ended three-all—it was Wilf with Queensville trailing 3-1 who belted a homer with a mate aboard to tie it.

Then comes the replay and what happens? Wilf belts a pair of triples and a double in three trips to the saucer, drives in five runs, scores three times himself to lead his mates 9-5 into the play-off win over Belhaven.

No, that's not all. Belhaven, sensing a last ditch rally, gets two on bases in the seventh. Bob Winch tees off on a sizzling liner down the third base line. Wilf hauls it down and the game is over—Queensville has won.

That's the reason we're naming Wilf Elsy, Queensville third sacker, for Hashman award this week and winner of the Roxy theatre pass.

## Pine Orchard, Zephyr Win As Simcoe Loop Semis Open

They're off and running in the Simcoe semis. Tuesday, Pine Orchard and Keswick opened series A. They tied six-all. Orchard, trailing 5-1 in the fourth, fashioned a four-run rally touched off by Howie Ash's two-on homer to bump up even with the Wicks. The teams traded fifth frame runs and there it ended.

Ken Hodgins lifted a Ted Tidman pitch for a base circler and added a double for good measure to pace the lakeside Richmond-men. Bob Pollock whacked a pair and Tommy Hare, Claude Pollock, Jim Cook, Charlie Stevens got in on the hit split with single safeties. Bill Dike and Lorne Shropshire spanked doubles, Bob Shropshire had a big bat night with three for the Orchard forbes. Harold Judd Smith and Ted Tidman fought a nifty mound duel.

It took rain to get Hope out of hook Monday. Queensville had 'em on the ropes 9-0 after three as Lon Ganton harnessed his ex-buddies to one hit, Roy Eves' single. Lonnie whiffed five. Queensville batters Bill Burkholder, Wilf Elsy and Bob English went in a big way for Don Glover and reliever Cliff Ward's pitches. Then rain and sadness in Realtors' ranks.

That brings us to Beach-Zephyr clash. Ron Kester's three hitter combined with a punishing seven-run fifth rolled the Blues over the Beach 10-2, a game lead for the Blues in best of three set. Blues hopped for three in the first and took full advantage of four errors, two walks and singles by Ron Kester and Ken Pickering to stagger the Beach in the big fifth. Beach hit collectors were Pete Jacobs, Cec McNeill and Don Cameron as they plated singles in second and sixth.

One fan showed his disgust by showering plate ump Bill Haskett with a pair of water and Cec McNeill, Beach veteran hurler, tumbled the offending ump on his very wet britches. That ended the schmozzle in the seventh and a Blues triumph.

That takes us through semis action to date. Now for a quick run-down of the sudden death position play-offs. The big one was Queensville's ouster of Belhaven Thursday at Mount. Wilf Elsy's pair of long range triples and spanking double that scored five—the rangy third sacker scor-

## SIMCOE PLAY-OFFS

The Lake Simcoe Softball League executive has posted the following play-off games for next week. The Pine Orchard - Keswick series, first and third team, is billed to be settled by best three out of five basis. All other series go two out of three:

Aug. 16, Hope at Queensville (first game); Aug. 17, Pine Orchard at Keswick (second game); Aug. 20, Zephyr at Willow Beach (third game if necessary); Aug. 21, Queensville at Hope (second game); Aug. 22, Keswick at Pine Orchard (third game); Aug. 23, Queensville at Hope (third game if necessary); Aug. 24, Pine Orchard at Keswick (fourth game).

ed thrice himself — sparked Queensville to a 9-5 heavy hitting win over Belhaven. Queensville launched a 13-hit attack against Duff Sedore with Bob English, Jack Perry, Lyman Hall and Bruce Greig the hitters. Herb Tomlinson, Merlyn Winch and Bob Winch showed the swankiest hit marks with two each in the ten hitter against Lon Ganton.

A three-run rally in the fifth to overstride a 4-3 Keswick edge enabled Willow Beach to win 6-4 over Keswick for second place. Ted Anderson and Don Cameron were Beach going concerns at the plate with a pair each. Tommy Miller and Alb Smith were effective swingers in Wicks camp. Ron Kester's four-hit hurling enabled Ches Lunney's Blues to polish off Hope 3-0 on the Mount diamond. The win gave the Zephyrs fourth. Ron Kester and Don Hewlett topped the Blues hit marks. Cliff Ward, Ken Harman, Roy Eves and Russell Pegg stroked out Hope hits. Blues accumulated a run in the first and two in the third on Ken Pickering's, Johnny Meyers' and Stan Lunney's timely belting.

## The Whip Vs Ski-Hi-Lee For Second Mat Card

There's another big night of wrestling coming up for Newmarket's newly converted grappler enthusiasts August 23. Card announced today by rink manager Stan Smith has Sunny Kurgis, who made a hit with 1,300 pew-warmers in the opening show, matched with Lou Sjöberg. Chief Suni War Cloud will be back to tackle mat villain Lee Henning in the semi-final attraction.

In the main bout, British Empire champion Whipper Billy Watson is matched with Ski-Hi-Lee, the Ozark Giant. The latter tilts the scales at a mere 300 lbs. and stretches away up 6'7" into the ozone. There's a promise of action from start to finish with these main liners carded to appear.

## Pop Earns His 'Dividend'

The captivating Banks family, whose adventures in "Father of the Bride" provided one of Hollywood's most hilarious movies, is back again in M.G.-M's follow-up picture, "Father's Little Dividend", now showing at the Roxy theatre, Newmarket. And it is more livable, lovable and laughable than ever!

In the original story, we left Spencer Tracy, as Stanley Banks, and Joan Bennett, as Mrs. Banks, exhausted but happy at having launched their "little girl" Kay (Elizabeth Taylor), over the threshold from an unexpectedly grown-up daughter to budding bride. The new adventures revolve themselves about the uproariously funny and warmly human happenings contingent on Stanley Banks becoming a grandfather!

It's all here as it happens in all families whose daughter is "expecting". The typical "stork shower", the fears of the young expectant mother, the issue of which doctor is the best, the arguments as to what the baby will be named, the period of tentativeness in which Stanley and Ellie are riveted to the telephone in case of an emergency call. Then the turbulent excitement of the

## Cyclermen Floor Atomics 19-7 For First Win In Town Loop

Ray Smith's Sport's-Cyclermen finally "dood it". Last Wednesday, jumping in with a six-run first innings uprising - never to be headed - the Cyclermen thumped the Town Atomics 19-7. It was win one for the pointess Sportsmen in the Newmarket Town League.

The Smithmen hopped onto Ivan Gibson with might and main and had him out of there in the second. Barney Pearson, succeeding him, found the going as rough as the Cyclermen continued to dish up runs in every innings. It was one in the second, three in the third, two in the fourth, three in the fifth and a closing up four run session in the sixth.

The Atomics got moving on a gift run in the first on three errors and Lowell Waller's looper single. Lowell Waller's hit in the fourth started them off on a two-run frame. The Atomics closed out with a four-run fifth on a pair of walks and baseknocks by Bill Smith, Harold LaPlante, Barney Pearson and Murray Tansley.

Cyclermen were down 10-9 in hit column but made the most of eight errors chucked in by the Atomics. Joe Caradonna was the only two-hit man in Cyclers ranks. Bill Smith, Harold LaPlante, Lowell Waller and Murray Tansley hit for two each for the fading Atomics. Ivan Bray earned the pitching decision.

The Cyclermen picked up two more easy points as Mick Smith's Bellmen failed to field a team for Friday's town league contest. The loss spilled the Bell crew into a deadlock with Hoffman for third place in the race. Bell and Hoffman will settle their tie via a sudden death tilt Friday evening at the fair grounds. The default tied the Cyclermen with the Town Atomics for fifth place.

## SPECIALTY SMITE ATOMICS

Tuning up for the play-off merry-go-round just around the bend, Office Specialty teed off on everything "Lefty" Ivan Gibson, on the Atomics mound, had to offer Monday and came away 14-4 winners over Town Atomics. The game completed the regular town league schedule and left the Neufeld-Boagmen riding high and dry in second place. Specialty accumulated 13 hits over the four innings stretch - it was called at this point due to rain - with Tod Mosier, Bruce Andrews, Don Gibson, John Shedlowick and Harry Boag punching out two each to lead.

## Keswick Upsets Mount In First of Semis

A four-run uprising in the first enabled Keswick to upset Gladys Rollings' Mount Albert ladies 6-5 in the first game of the Lake Simcoe Junior Ladies Softball League semi-finals Friday. Gord Hare's Keswick gals took full advantage of three walks gifted them by Marguerite Green and singles by Ruth Peters and Kay Peters to fashion their early margin.

Mount Albert gals had trouble finding their usual hitting stride as Dot Stevens limited them to nine scattered hits. The Mounties finally broke through for two runs in the fifth and added a pair in the sixth. The teams traded runs in the seventh. Ruth Simpson's home run smash accounted for the Mounties final date with the scorekeeper.

Top sluggers in the Keswick ranks were Ruth Peters with three, Dot Stevens and Kay Peters had two each. The latter turned in a terrific fielding job. Lois Morrison grabbed the hit spotlight for the surprised Mounties with a three for four string. Ruth Simpson added a single to her last innings home run to back up Marguerite Green's pitching.

the parade. Johnny Shedlowick at his fire-balling best limited the Atomics to four hits. Bill Smith spiked a Shedlowick case off pitch in the first to score two. Barney Pearson, Joe Burke and Ivan Gibson coupled singles in the fourth to put Atomics' third and fourth runs across the saucer.

The Specialty blew the lid off with four in the first and made it a rout with four in the second, five in the third and completed with a single in the fourth.

## Lindsay Wins Tourney At Legion Sports Day

Bill "Red" Mitchell's Lindsay "Police Cadets" won the four team pee-wee baseball tournament at the Aurora Park last Saturday sponsored by Aurora Legion. In the morning contest Bill Mundell's Aurora "Cubs", sparked by Bert Loveless, Dave Fines and Bill Jans' hitting streak, pounded Brampton 20-8. Bert Loveless worked five and Bill Jans two to record the Aurora win.

Newmarket "Optimists" carried Lindsay into two extra innings in the early afternoon game before dropping a 9-7 decision. Jackie Cain toiled on the Optimist mound, getting two-hit support from Johnnie McGuire and fine fielding aid from Brian Millon.

In the finals, the Mundellers were staggered by a seven-run second innings hashed up by Lindsay and dropped a 12-5 decision. Herbie McKenzie, Keith Browning, Paul Babcock and Wayne Spence provided Aurora's long ball hitting. Coach Mundell tried unsuccessfully to stem the Lindsay hit magic with three chockers, Bert Loveless, Bill Jans and "Red" Dore.

# Mounting Municipal Costs Mean Growing Burden On Future Progress Of Aurora

A lot of words can be spoken in four and a quarter hours. That pretty well sums up the regular meeting of council on Tuesday night, August 7. Nothing of a concrete nature emerged from the talk, though some of it was very interesting, like the dissertation on weeds given by Mr. Frank Marritt, York county inspector.

For a time we thought we were listening to a lecture on botany; but shortly we were back among debentures. A lot of ground was covered at this council session but without leaving any footprints on the sands of time.

Take the matter of debentures. It emerged in the discussion that the high school area building project has been carried on through bank borrowings. One has to listen closely to hear these things; but our understanding is that so far no debentures have been issued, though the high school area sum of \$600,000 has already been used up, council was told.

Councillor Davies forecast that perhaps another 25,000 or even 35,000 dollars will be needed. Mayor Bell wasn't sure how much "they would need". Though we do remember a time, and not so long ago, when it was estimated that \$450,000 would cover the job.

Then there was the \$250,000 for the public school. Will that prove enough? Is there anyone who is in a position to know the answer? We doubt it. Council reached no decision on debenture issues. As with so many other things, they talked but did not act. They resolved to hold a special meeting with representatives of high and public schools present.

Somewhere the sun is shining. But there isn't much warmth in the sun that shines on Aurora's mounting municipal costs!

**Weeds**  
Frank Marritt is the official foe of weeds. He knows all the answers. Chicory and campan and thistles and barberry and rust on corn. He talked and smiled his knowledgeable way through a maze of weeds, sprayed and eliminated them and pointed an approving finger at King twp. where the roadsides have been cleared of nature's rubble.

Mayor Bell and members of council (not being dissolved into a committee of the whole) listened and smiled and approved. One fancied that they had visions of Aurora as a veritable garden of Eden with not a single weed showing its unwelcome head. Where spraying and eliminating had purified what was once an Aurora model of Goldsmith's deserted village.

Unfortunately we knew better. If Mr. Marritt had found his way to McMahon park he would that very night have seen an abundance of sow thistles and lusty weeds that he would have returned to his home town of Keswick a disillusioned and saddened man. No weeds in Aurora! Why the town parks in Aurora just now are bursting with weeds.

Mr. Marritt had found some weeds in the vicinity of the United church. But he should have gone on a town itinerary. Around, say, by the children's playground at Mill St. There he would have seen a fine display of weeds, just now in the blooming stage. The recreation commission has cleared all the weeds from the playground and is turning it into a fine resort for the youngsters. But behind the east side of the playground on town land the weeds prosper.

Mr. Marritt was thanked for his address. He kindly promised to come and advise when needed. Thank you and good day, Mr. Marritt. Come again to Aurora and have a look at our weeds. We have as fine a display in our town parks as you may see anywhere.

**A Dark Thought**  
It was after the talk on weeds that council tried to ease its own apparent stalemate on the debenture issues. There is no financial expert on council so members listened to experts from outside. These were bond house experts who were ready to make bids once council had come to a decision. Money is tight just now. It may be that council has delayed too long; further delays may mean additional costs to the taxpayers. So argued the experts.

As an observer only we had the feeling that council finds itself in a jam and would be grateful to anybody who could show it the way out. But who was there to point the way? One of the experts suggested that interest might rise to five percent as against the current rate of four and a half. Mayor Bell dissented from that possibility.

But is the mayor a financial expert? We remember a time when he came to office on an assumption that the mill rate for Aurora could be held at its then 48 points. It has already gone ten points beyond that. Who shall predict what the mill rate will be next year? Council skirted over the problem by referring it, as already noted, to joint meetings of the council and the school boards.

One dark thought obtruded on this observer's reflections as he listened to the pro and con discussion. The dark thought was this: In what sort of a financial tangle is Aurora going to find itself as a consequence of all this mammoth spending? And was the spending really necessary?

## More Skidding

There was a mention of meters, but it was fast and fleeting. It was to the effect that the police committee and a committee of the board of trade had had a conference on the location of meters.

Beyond that fleeting mention, nothing more was said on meters. The meter matter was thrown aside with the urgency of a man who finds his fingers being burnt with a cigar butt.

There was a bundle of by-laws left over for a special meeting to be held on Monday, Aug. 13. For all we know there may have been a meter by-law among the others. But so far, at this writing nothing further has transpired. We can only report what comes to the council table.

One by-law was handled. It had to do with a 55' building set back from the centre of the Yonge roadway; but when town solicitor Lorne Lee enquired if any member of council knew the width of Yonge St. no reply was forthcoming. We were tempted to go out and measure it ourselves for our own satisfaction.

But where would we start and end? Who shall say what is the width of Yonge St.? We can say that it could be made much wider and better if several feet of useless sidewalk material were taken up on the main shopping thoroughfare.

**Off-Street Parking**  
The long-delayed parking site at the United church is now in use but the notice board serves no purpose as far as motorists coming or going into and from the town are concerned. It cannot be seen by motorists coming from the south or from the north, unless they are not looking ahead as they should be doing for safety's sake.

Surely a notice that would have attracted the eyes of south and north-going motorists could have been set up.

As for the available land at the public school for parking, council has done nothing about this. Though all it seems that needs doing is the erection of parking notices. It could be that this commodious off-street parking site has been forgotten by council.

**A Sunning Up**  
If we were asked to name any concrete piece of work achieved by council at its sitting on August 7 we would be forced to confess that we could not name it. The session was lengthened for 15 minutes after midnight to permit the introduction of the set-back building by-law. But it sounded so complicated that we are at a loss to define it.

It seemed to us just another by-law in this town of so many by-laws that we heard a citizen say that Aurora should be called "By-law Town". Per capita we would guess that Aurora would not take second place in all of Canada for the number of its by-laws. So numerous are the existing by-laws and so rapidly are new ones born, that it would never surprise us to learn of an authorizing by-law enabling citizens to have a haircut.

With all these increasing by-laws the economic future of Aurora does not appear to be getting brighter. Borrowings and debentures are steadily mounting and those who will carry the future municipal burdens of Aurora will need to have stout hearts and a metaphorically speaking, hefty shoulders.

Once again council "dissolved itself" into a committee of the whole on a motion by Councillor Corbett concerning the set-back building by-law; and he pronounced the word "dissolve" loudly and emphatically. Shortly afterwards council did "dissolve" itself by leaving the chamber and going its separate ways. It will resolve itself again at its meeting a week hence.

## STIVER BROS. CONTEST

Mrs. Jean Polkinhorn, town-line, Kettleby, has won the contest at Stiver Bros. and been awarded the first prize of a carving set. The contest was on the choice of a pullet to lay the first egg, the birds being caged at the Stiver Bros. mill. Pullet No. 2 laid the first egg after four months and 12 days.

Mrs. Allan Carroll, Aurora, won the second prize, a set of steak knives. C. G. Peterson, Aurora, was third, winning a coffee percolator.

During 1950 a total of \$80,000-000 was paid out by Workmen's Compensation Boards in industrial accident cases.

## WHAT THEY ARE SAYING

### Two Aurora Business Men Engage In Large Ventures Petition On "No Parking"

Normal and unusual circumstances have conspired to make the first half of the month of August extremely quiet in Aurora. Normal vacation movements have taken a great many people out of town and the other cause is very much less agreeable—the lay-offs that have taken place in two of our major industries. It is sincerely to be hoped that economic factors will soon adjust themselves to a restoration of full employment for all our citizens.

Among those who have been away on a brief vacation are Mr. and Mrs. O. D. Hess. For a week the venetian blinds of their store were down; but they were drawn again by Saturday morning, Aug. 11, giving an agreeable sign of vitality to that busy part of Main St.

They covered a lot of ground and water during their itinerary. After visiting the MacNairns at Belleville, they went on to Kingston and the Thousand Islands and Arnprior. Through Algonquin park, to Lake Rosseau and down to Atherley, meeting old friends. They had a thoroughly enjoyable tour.

**Big Ventures**  
It was stimulating news for Aurora when Mr. W. Garfath came to council last week for a building permit and assurances therewith in connection with water and sewage, for his projected new plant estimated at a cost of \$70,000. The citizens of Aurora will heartily wish Mr. Garfath every success in his new venture, which should prove of very great economic importance to our town.

The site for Mr. Garfath's new proposed plant is on the south side of Cousins' Drive, east of Edward St.

Another big venture by a local citizen is the acquisition of a large property at Musselman's Lake by Mr. Stew Patrick. This deal of large proportions was, we understand, completed on Monday, Aug. 6, when most other folks were enjoying a holiday.

On that date Stew Patrick became the owner of Glendale Park, comprising 30 acres of land, beach, dance hall and two stores, having taken over from Mr. and Mrs. Fred Coutlee who have held the property for the past 25 years. The dance hall is 214' in length and 85' in width. It is the third largest dance hall in Canada.

Mr. Patrick will take over the grounds as from September 1 and the buildings on October 1. We understand that son Howard will leave the Aurora Meat Market to become manager of his father's new properties. Stew Patrick is nothing if not aggressive and his very numerous friends in Aurora and district will wish him every success in this further large acquirement to his properties.

**Royal Theatre**  
Recently we promised our readers that some unusual entertainment would shortly be coming to Aurora's Royal theatre and manager Clifford Griffiths is fulfilling that promise during the current week and on Monday, Tuesday and Wednesday of next week.

Such titles as "Buffalo Bill" and "Susannah of the Mounties" are in themselves sufficient to stir excitement, but when such names as Randolph Scott and Shirley Temple, Joel McCrea and Maureen O'Hara head the bill of fare, movie fans are assured of a good show.

After these make a date for either Monday, Tuesday or Wednesday, Aug. 20, 21 and 22, for showing of a movie with the cutest title we have seen in years, namely "Father's Little Dividend", whose picture you see on a nearby column. Whoever thought of "Father's Little Dividend", a pet name for little Stanley, possesses a touch of genius.

Some of the best known names in the film world are in the various roles of "Father's Little Dividend", including Spencer Tracy, Joan Bennett, Elizabeth Taylor and Don Taylor.

Manager Griffiths has been enjoying the experience of seeing the Royal theatre packed to capacity over a period of many weeks. Recently he was hard pressed to find room for everybody who wanted to see "I'd Climb the Highest Mountain". We confidently expect to report that "Father's Little Dividend" will beat all past record attendance. So we advise you to get there early or you may have to wait for another house.

**Threading A Needle**  
Our ears caught this expression the other evening on the Aurora lawn bowling greens during a game which included the president of the club, George Pattenden. The explanation is as follows.

George was playing with such astonishing skill that it seemed impossible that a bowl would not go just where he wanted it to go. His opponents would lay in some beautiful "ends" but George would either "pick" off a leading shot frozen to the jack or would get in a bowl through the narrowest space.

So often did this happen that Leo Potter exclaimed: "Well, it's just like threading a needle."

When we complimented Mr. Pattenden at the end of the game he modestly protested that he had had a lot of luck. "Sixty percent luck," said George. We don't agree. There is luck in bowls like every other game. But essentially good lawn bowling demands judgment and skill. You don't get good results without a combination of both.

We have seen some of the best of bowlers of neighboring clubs. At his best, George Pattenden does not need to fear any of them. He has also a lovely delivery, getting his bowls away with fascinating ease.

Charles Fry has been bowling wonderfully well this season, as have Leo Potter, Bill Matheson, Bill Morris, Herb Thompson and the veteran, Harry Teasdale. Among the younger bowlers, Russell Sinclair has shown a great advance. They say he gets away "a lovely bowl".

Caretaker Herb Milgate is back and the greens just now present a fine picture. There is a tournament on Wednesday, Aug. 15, and full results will appear in these columns (DV) on August 23.

## Children's Playgrounds

The work of the Aurora recreation commission deserves the highest commendation. There are now four children's playgrounds in use, namely Mosley Park, Reuben St., Mill St. and Macchell's Ave. We made a tour of the last three the other day and found many children enjoying the amenities provided for them, open spaces away from the streets, swings and slides and other forms of entertainment.

Through the generosity of Jas. Wilson (Wilson's Hardware) and Jas. Murray, deputy reeve, the children of Reuben St. and neighborhood will soon have a wading pool for their fun. Mr. Wilson undertook to provide the cement while Mr. Murray offered the machinery and labor for the job. Fine gestures indeed.

It is but fair to state that no one has worked harder in the providing of these safer outlets for the children than Mr. T. F. (Tom) Swindle, both by persuasive argument and with his hands. He has helped in the clearing of the spaces, along with the recreation director, Tom Dickson, and his assistant, Bill Mundell.

All the three playgrounds that have recently been created have plenty of space and are ideally situated. The latest one at Macchell's Ave. is in a beautiful situation with fine surrounding pastoral scenery. The commission has been fortunate in securing the ready co-operation of the owner of the property.

Having attended most of the recreation commission meetings during 1950 and 1951 we feel that praise is due to its members for the fine, consistent enthusiasm shown for all phases of the work it has undertaken. The meetings are well attended and they are held regularly twice monthly.

It need hardly be said that Don Glass makes an excellent chairman. He is an outstanding Aurora personality. "No Parking" Signs

Disturbed about the possibility of "no parking" signs being put up on the north end of Yonge St., a petition was presented to council at its August 7 meeting by A. E. Snow of the Snow Heating Appliances and Doug Harrison of the Aurora Dairy. Petitioners maintained that the putting up of such signs might prove detrimental to their businesses.

The petition was signed by the following Yonge St. merchants: C. J. Alcock, Aurora Automotive; D. J. Harrison, Aurora Dairy; E. J. Lassaline, Snow Welding Works; Mrs. M. Emmy, Mid's Ladies' Wear; D. J. Murray, Queens Hotel; A. E. Snow, Snow Heating Appliances; B. D. Gilbert, Burt Gilbert; and J. Hudson, Confectionery Store.

## EDITORIALS

### MR. SWINDLE'S RESIGNATION

The arena commission, a body appointed by council to direct and supervise the affairs of the Aurora Memorial Arena, has lately been the subject of considerable criticism by members of council and others. Our purpose here is to enquire into the rightness or wrongness of this criticism.

We have no hesitation in stating that a major cause of the lack of information on the part of the public as regards the affairs of the arena is the absence of publicity. The arena commission ought to have invited the press to sit in on its meetings in order to report them. For arena business is public business.

There are other organizations in Aurora that are equally culpable in their neglect of public information. Among these we may mention the Aurora hydro and the high school and public school boards. The first is a public utility and the latter are responsible to the public for the compelling reason that they spend public money.

We shall find opportunities of dealing with these organizations as time goes by, in the process of enlightening public opinion. For the present we are concerned with the arena commission, a body representing a public facility in which \$80,000 of public money is invested, and which the citizens of Aurora are redeeming by a debenture issue.

There are seven members of the arena commission which includes the mayor and one member of council; namely, Councillor Gundy. All members of the commission are appointed by council and can be retired by council. Their appointments are not permanent but are subject to the will of council.

### RESIGNATION FOCUSES ATTENTION

Recently a member of the arena commission resigned and gave as his reasons for so doing that the commission was functioning so unsatisfactorily that he considered it "hopeless" and that he could not perform his commission duties satisfactorily. After two years' service on the arena commission that was the way Mr. T. F. Swindle regarded it. His resignation was a protest against the commission's lack of action.

On what grounds is such a protest supported? The chief ground is the commission's failure to hold regular meetings and its failure to issue a report to the public for the winter seasons of 1950-51. No report of the commission's work has been issued since the summer of 1950. In these circumstances the citizens of Aurora, through whose money the arena was brought into existence, have no information on the activities that were carried out in the above winter seasons or the financial state of their investment.

Criticism has been directed to the failure of the commission to issue a report. Such criticism seems altogether reasonable. There was a great deal of enthusiasm engendered in the cause of bringing the arena into existence. A vote of the people was taken and an affirmative reply was effectively realized. Why has that early enthusiasm waned? The answer would appear to be provided in a lack of enthusiasm on the part of the commission itself.

Those who know Mr. Swindle realize that he would not resign from any public body without substantial reasons. The magnificent work he has done on the recreation commission, which was largely his personal creation, proves that he has the best interests of Aurora deeply at heart.

### DUTY TO THE PUBLIC

As to the charge of inaction on the part of the arena commission, not only has no report for the period concerned been issued, but meetings are so infrequent on the part of the commission that little useful work can be carried out. The commission held a meeting in April and again in July. No further meetings are scheduled until September, when the arena season is due to begin.

Further than that, the attendance of commission members is so irregular that a quorum cannot be formed. The council representatives themselves do not attend the meetings. Our understanding is that the mayor and Councillor Gundy have attended only two meetings of the commission. Is it surprising in such circumstances that public interest in the activities of the arena has melted away?

The public has a right to a report of the arena's activities. And, as Councillor Corbett said at council, the public has a right to have an itemized financial statement concerning the arena in which public money is invested. There is a natural curiosity on the part of the public to be informed on whether or not the arena is paying its way, making a profit on its activities or taking the reverse course.

There should be a feeling of public pride in the affairs of the Aurora Memorial Arena. But pride cannot be stimulated while reports of its activities are withheld. If the members of the arena commission have not the time to give to this public enterprise they should make way for others who have the necessary time.

Members of the recreation commission are mostly business people with demands on their time. But two meetings are regularly held each month and splendid results are being realized by that organization. The urgent need now is for the arena commission to issue a complete report and let the public know the full facts.

# \$600,000 Debentures Issue Meters Approved By By-law Police Cruiser For Aurora

A special meeting of the town council was held on Monday evening, Aug. 13, when there were present Mayor Bell, Reeve Cook, Councillors Corbett, Davies, Fielding, Gundy, Jones and Pringle. Also present Town Clerk K. G. Moses and Assist. Town Clerk Mrs. Helen Dickson. Others present included Dr. Urquhart, Dr. van Nostrand, Dr. Henderson, Mr. Heaton of the Imperial Bank, Mr. Welk, Bank of Montreal, and Mr. Ray Marshall.

The special meeting was called to discuss the financial position concerned with the high school district area buildings, the additions to and renovations of the public school, a by-law concerned with the installation of meters and four other by-laws.

In the course of business a petition was submitted on behalf of north Yonge St. merchants who desired a widening of the roadway. The petition was deferred for consideration.

## \$600,000 Debentures

Dr. Urquhart, on behalf of the high school district area buildings, told council that the sum of \$594,000 had already been used up and that more money would be required. The additional sum needed would probably amount to 60 or 70 thousand dollars.

There were estimates of probable expenses, since in Dr. Urquhart's opinion it was unlikely that the new school would be ready for occupation for approximately another 12 months.

(No itemized or summarized statement of expenses thus far incurred was submitted to council nor did the mayor or any member of council ask that such a statement be provided for council's consideration. Ed.)

Expressions of opinion were put forward by Mr. Heaton and Mr. Welk on the advantages and disadvantages of present rates of borrowings and debenture issues. It was pointed out by Councillor

Gundy that although the new high school buildings were a joint undertaking on the part of the three municipalities of Aurora, King and Whitby, it was Aurora that was finally responsible in the whole matter.

Discussion was ended on a motion by Councillor Davies, seconded by Reeve Cook, in the following terms: "That the clerk be authorized to call for tenders on \$600,000, 20-year serial debentures." (Page 14, Col. 6)

## SHOE AND LEATHER VOTE FOR U.P.W.A.

Members of the National Union of Shoe and Leather Workers have voted to amalgamate with the United Packinghouse Workers of America. In a referendum vote, members of the national union supported a move into the Packinghouse Union 1426 to 280.

The workers at the Collis Leather Co. and those of the Sisman Shoe Co., Aurora, are now locals in the United Packinghouse Workers of America.

The Shoe and Leather Union is in the shoe, luggage and tanning industry which has a potential membership of some 25,000 and in which organization is now very limited and wages said to be low.

It is expected U.P.W.A. will set up a special department to extend organization in this field and raise wage rates.

**Careful, Mister...  
that's dangerous stuff!**

Maybe you don't think that money can harm you. But nowadays, unless you handle it with care, it can make things tougher for you—and others.

If you spend it on things you think may soon be scarce, or may cost more later, you will help drive prices still higher. And that will hit you where it hurts—in your own wallet.

For instance, you may need money someday for an unexpected emergency. Or, perhaps, for starting a new business... buying a new home... sending your boy or girl to college. These and other plans may remain just dreams—unless you have more money saved.

In your savings plan, life insurance meets a special need. For you can use it to combine savings with financial protection for your loved ones. So, to help keep prices down... to provide for your tomorrows... SAVE!

## COOLING OFF!

It takes a lot of cooling to keep a Polar Bear happy. This largest member of the bear family is smaller than a porcupine at birth, but often weighs more than three-quarters of a ton when full grown. To this tremendous bulk, add the fact that the bear is covered with a thick, water-proof coat, which is designed to protect him in the Arctic... it's a big job keeping him cool in our zoo. Learn about nature's creatures. Visit the nearest zoo and see them. A whole new world of interest will be opened to you when you understand nature.

MATURE UNFOILED - YOURS TO PROTECT - YOURS TO ENJOY

**CARLING'S**  
THE CARLING BREWERY LIMITED  
WATERLOO, ONTARIO

Mr. and Mrs. Warren Barnard came from Napanee to attend the funeral of Mrs. Barnard's aunt, Mrs. Roy Folliott. They stayed at the home of parents, Mr. and Mrs. Albert Folliott. Mr. and Mrs. Dan Ferguson of Woodville are spending a week in the neighborhood, visiting a brother, Mr. Norman Ferguson, and their nieces, Mrs. Fred Curtis and Mrs. Chas. Gordon. **Gun Victim, Their Cousin**  
Larry Fleming, 12, Hornings Mills, accidentally killed when a gun discharged in the hands of his chum, Leonard Thompson, aged 13, was a cousin of Mrs. Lawrie Boys and her sister, Mrs. Effie Bath of Laskay. The funeral service was held on Wednesday, Aug. 8. Mrs. Bath was holidaying in the Thornbury district at the time and attended the funeral while Mr. and Mrs. Boys motored from Laskay there. The sisters had attended the funeral of a cousin, Mr. Chas. Cowan of Collingwood on Monday, Aug. 6, the same day that Larry was shot. He was the son of Mr. and Mrs. William Fleming, and 15 minutes before his death had telephoned his mother that he and Leonard "would be at the Fleming house for dinner". Mr. and Mrs. Thompson were away from home at the time, leaving two daughters in charge, related Mrs. Bath. Close friends and neighbors, the boys had been together since Saturday. Mr. and Mrs. Thompson knew an unloaded gun was in the house and that there "was no ammunition" on the place. Apparently the boys had purchased ammunition themselves.

At the Thompson home on Monday morning, Larry asked for the rifle which was being cleaned by young Thompson. It was thought he had put in a cartridge, forgetting to mention the fact to his chum. When Leonard chucked in the ram-rod to finish cleaning the weapon, it discharged, the bullet hitting the younger boy behind the ear. "One eighth inch either way and results would not have been fatal," Mrs. Bath was informed. Just prior to these deaths, Mrs. Boys and Mrs. Bath had joined in municipal centennials held at Thornbury. Mrs. Bath had remained over for a couple of weeks.

**Travel 400 Miles Per Day**  
Miss Jessie Gellatly and her sister, Mrs. A. Smith, Toronto, returned from the Canadian west on Saturday evening. Gone a month, the sisters motored first to Fort William where their brother, Dr. Harvey Gellatly, practices dentistry. From there on, Dr. Gellatly drove his wife and sisters through to Jasper to see his son, Bruce, and on to Vancouver. Motoring 400 miles per day, they spent a day in each province, arriving in British Columbia for short tours, and a boat trip to Victoria. While the journey was made in a hurry the party had a delightful time and the doctor lost no time in returning to his practice which he resumed early the next morning. Miss Gellatly did all the driving to and from Fort William and appears greatly refreshed from her holiday.

**Vacation Letter Locked in Car**  
Mrs. James Brown was also included in the first lap of the Gellatly and Smith vacation trip. She went with the girls as far as Matheson, near Timmins, to see her sister, Mrs. Thos. Longstreet, (Dorothy Watson) after 13 years' separation. "Dorothy hadn't the remotest idea I was

coming. When Jessie Gellatly drove me to her front door, she was just plain surprised, but happy," said Mrs. Brown. "Dorothy's husband had put my letter in the car glove compartment and then forgot all about it." Mrs. Longstreet never saw the letter.

The Watson family came from Vaughan township. Don Brown, son of Mrs. Longstreet by her first marriage, is stationed by Camp Borden. His sister Jean is Mrs. Ken Brillinger of Langstaff and another sister is Mrs. Pattenden of Gormley. Mrs. James Brown also visited at Timmins during her stay north and was picked up by Miss Gellatly at Matheson to return to King.

**48 Years Machinist - 1st Accident**  
A thresher for 48 years, William Ham of Laskay suffered a compound fracture of the left ankle on Monday, Aug. 6, when helping with wheat-threshing on the farm of Francis Powell, 6th of Vaughan. Fixing the top of the thresher, he jumped about four feet onto the tail-board of a truck which gave way. It was his first accident as a thresher, and while he had given it up six years ago, he often helped neighbors.

On the previous Saturday, Mr. Ham had come too close to the belt of the machine, getting a nasty brush burn on the same limb. He is none too happy about the accident, "a fine thing for a veteran thresher," he declared, despite the shock and discomfort of the experience. In 15 minutes more Mr. Ham would have been on his way home readying for work at Moffats Company, Weston. He was within minutes of finishing up his two-weeks' vacation.

**Wins Super Prize**  
Mrs. Del Paton owns a brand-new electric ironer valued at more than \$200, won in a draw at Aurora Legion Carnival on August 11. "The first prize I ever won," said Mrs. Paton who had purchased a book of five tickets. She was not present when the draw was made and was notified on Sunday morning of her luck. Her friend, Grace Davis of Aurora, made a lucky strike when she won a boat and an outboard motor in the draw. **Royal Mounties of Interest**  
Mrs. William Williams of Laskay has returned from a trip to Regina, Sask., motoring there with her son, Carl, and his wife of Humber Summit, where they visited Mrs. Carl's family. "Regina is growing in leaps and bounds like Ontario towns," said Mrs. Williams Sr. on her first trip west. She found it a beautiful city and the annual fair was on at the time. They took a 90-mile trip north to Long Lake on a fishing holiday and visited two days at Imperial, headquarters of the Royal Mounted Police. This feature was of special interest. Her daughter-in-law's brother is on this police force and stationed out of Imperial. Mrs. Williams enjoyed every minute of the vacation and feels much the better from her travels.

**See Huge Temple**  
When Mr. and Mrs. Fred Dent were on vacation last week, part of their motor tour took them to Detroit where they saw the huge Masonic Temple housing 1,030 rooms. They took a conducted tour through the building, described in detail by the director. They also saw the caretaker, a friend of Mr. Dent, who also showed them about the place. Mr. Dent is a member of Robertson Lodge at King. Mr. and Mrs. Robert Williams of Scarborough were with them on the trip which covered 1,100 miles.

**Visit Cape Breton**  
Mr. and Mrs. J. S. Dinnick and daughter, Martha, of Eversley, are taking vacation for the month of August in Cape Breton. While they are absent Miss Freda Dent is taking care of their young daughter, Sarah, at the home of the baby's grandmother, Mrs. Walter Hagar, who lives at Hamilton. Freda spent Saturday and Sunday at her home at King, her father, Mr. Fred Dent, motoring her back to Hamilton on Sunday evening.

Miss Alice Ferguson has been the guest of her sister-in-law, Mrs. Isa Ferguson of Richmond Hill, at Pickering Beach resort. **Former King Minister Visits**  
Rev. John Galloway, Baptist pastor at Port Hope, and his wife made their annual week's visit at King, the guest of Miss Eliza Fisher. They left last Saturday for Stayner where Mr. Galloway preached on Sunday. From there they motored to Huntsville and to Perth, to complete their month's vacation. Mr. Galloway was a former minister of King Baptist circuit for four years. Their son, Robert, is a chemist with Campbell's Soups at New Toronto and is sent out from there to plants in other cities. While at King, the Galloways, Miss Fisher, Rev. W. E. Smalley and his wife motored to Midhurst for a day's picnic. The visitors called on several of their former congregations and visited Mr. and Mrs. Frank Piercey and Mrs. Alex Gray at Teston.

Rev. Alex G. Sinclair and his mother of Nena, Wisconsin, also a former pastor of the King Baptist field, paid their annual visit to Mr. and Mrs. Piercey of Teston last week. Mrs. Piercey and her sister, Mrs. Gray, were in the King congregation during Mr. Sinclair's pastorate. In fact,

he lived at the home of Mrs. Piercey (formerly Tena Wilson) at Kinghorn while he was a student minister here. The Sinclair's have two children who were with their mother at her parental home at Belleville, while Alex and his mother visited Teston.

Mrs. Alex Gray left during the weekend to live with her son, Jim, at Napanee, where he is executive with the T. Eaton Company there. Jim was raised at Kinghorn, educated at S.S. 23, King township, and Aurora high school before entering Eaton's at Toronto. He was in the army during the Second World War.

Mr. Bob Ferris, his wife, and daughter Patricia, Toronto, visited his sister, Mrs. Britton Riddell, Highland Home Farm, on Sunday. Bob is with the postal service headquarters in the city. Rev. W. E. Smalley and his wife are slowly recovering from their motor accident of early July. They are "just at home in the Baptist parsonage these days," they say. Neither can write yet.

Miss Myra Barnard of Bradford will be the guest of Miss Eliza Fisher this week.

**W.I. to Enter C.N.E. Contests**  
Plans are being made by King W.I. to participate in contests of the Canadian National Exhibition. Four applications have been forwarded in the Canadian Traffic and Accident Quiz, Sept. 7, 8 p.m. Prize money is \$100, \$75 and \$50. Two groups of three are to represent the organization in "five ways to improve the C.N.E."

A real holiday rest was taken by the Arthur Fleet family from Thursday until Monday, at Port Breeze, the Angola cabin and trailer campsite in New York State, 30 miles from Buffalo. Situated at the summit of a slate cliff, natural step formations sloped to a rock ledge leading to an ideal sand beach on the shores of warm Lake Erie. They toured Silver Creek, Buffalo and other cities.

Mr. and Mrs. Ivel Wood and her parents, Mr. and Mrs. Geoffrey Greave of Aurora, took a five-day motor outing to North Bay and other northern points, two weeks ago. Grandmother Mrs. Bert Wood kept her son's children.

**Community Children's Picnic**  
All community children and mothers are invited to attend the 2nd annual picnic given by King Legion Branch and the Ladies' Auxiliary in King Memorial Park, August 22. Prizes for races and games will be given the children and favors to adults. Admission is free and refreshments will be served. As of last year the Auxiliary is convening arrangements. Time is 2.30 p.m. till 5 o'clock.

Miss Marjorie Jarvis is a summer guest of Col. Smart and his daughter, Miss Mary Smart, at their cottage at Lake St. Joseph, Muskoka. Her sister, Miss Julia Jarvis, on vacation in England, is expected home early in September. She is spending much of her time with her sister, Miss Stephanie Jarvis, at Hurst Berkshire.

Mr. and Mrs. Ernest Trietz (Sarnia), were guests of their cousins, Mr. and Mrs. Jesse Richards, Miss Winnifred Boys and Mrs. Arthur Wellesley as well as relatives at Richmond Hill and Buttonville. Mrs. Trietz was the former Merle Hamilton, Laskay. In the fall of 1918, Mr. Trietz took Strange school, later marrying Merle. He has been on the staff of Sarnia Collegiate and Commercial school for a number of years. They came to King from a three weeks' motor vacation through to the Gaspé Peninsula. Ernest is a fisherman and Merle collected home-spun rugs and dothor folk art of the Maritimes. Their son, Ronald, is employed in Sarnia.

Other guests of Miss Boys last week were Miss Rhona Beamish, superintendent of Sarnia General hospital, on vacation at her home at Woodbridge. With her was her sister, Kate, Mr. and Mrs. Fred Boys, just back from British Columbia, called to see Mr. Boys' mother, Mrs. Wm. Boys, and sister. They arrived at their Oak Ridge home Wednesday of last week. They saw Ethel and Ed Patton, Tillie Patton Douglas, the brothers and a sister of Vera Boys and Bert Barnes and their nephew, Bruce Patton, at Vancouver.

**Church Service Advanced**  
Services at Eversley Presbyterian church have been advanced one hour, to 8 o'clock in the evening for the month of September. In October regular Sunday services will be held at 11 a.m. Divine worship has been withdrawn for August 19 and 26 at Eversley, Strange and the Ninth Line churches. On Sunday, Sept. 30, the sacrament of the Lord's Supper will be dispensed by Rev. W. W. Weir, Brampton, at each appointment.

**Temperanceville Church**  
The sum of \$3,000 will be spent on renovation and decoration of Temperanceville United church. The work is now well underway. An air-conditioning oil furnace costing \$1,375 is being installed. The north wall of the building has new footings and a cement block 10' x 10' building has been added to the rear leading into the basement and providing space for oil tanks. The whole interior of the auditorium is being suitably painted; the seating and floors refinished. A new carpet will be laid at the altar and choir chancel and aisles. Indirect lighting will be installed.

The women of the congregation are assisting in raising funds with

## AURORA COUNCIL

(Continued From Page 11)

bentures issue for Aurora high school area purposes. Tenders to be based on an interest rate of both four and a quarter and four and a half percent. Sealed tenders will be received up to noon September 17, 1951." The by-law was approved, Councillor Jones dissenting.

**Five New By-Laws**  
Council proceeded to deal with the introduction of new by-laws, the first of which ratified the mayor's annual stipend of \$500, retroactive from January 1, 1951. Carried.

A by-law confirming the appointments of Mrs. Helen Dickson as deputy town clerk and deputy town treasurer was unanimously approved.

A third by-law concerning the installation of meters in Aurora was then proceeded with. A first reading was moved by Councillor Davies, and seconded by Councillor Gundy. It authorized the town council to enter into a contract to provide meters and was passed with Councillor Jones opposing.

The second and third readings were then taken and passed with Councillor Jones opposing.

A fourth by-law was approved with Councillor Jones opposing, for the provision of parking tickets. The by-law provided for voluntary payment of fines to the clerk amounting to \$1 for alleged offences, if such payment were made in two days.

A fifth by-law was passed, this concerning the J. P. Fielding company whose building abutted onto town sidewalks to an extent of a few inches. The by-law gave the Fielding company a clearance on the abutment.

**Buy Police Cruiser**  
Mayor Bell presented a report of the police committee on the subject of purchasing a police cruiser for town purposes at a cost of around \$2,000. The report was approved and council rose at 11 p.m.

(Comment on the special meeting of council reported above will be made in next week's "Council Sidelights". Ed.)

purchase of the carpet in view.

**September 2 Re-Opening**  
Re-opening and dedication of the Temperanceville church will be Sunday, Sept. 2. Rev. Geo. Wood, formerly minister of Bedford Park church, Toronto, will preach at 11 a.m. Rev. Houston, Victoria Square, will be the evening speaker. Temperanceville choir directed by the organist, Mr. Sam Dickie, will assist.

No service will be held in the United church at King, Laskay and Teston on Sunday, Aug. 26. Rev. M. R. Jenkinson, the minister, will be on vacation.

## go Canadian National

A meal in one of Canadian National's attractive modern dining cars is among the relaxing, pleasant interludes you'll experience when you travel our line. You'll enjoy also the comfort of our latest coaches with wide picture windows and "Sleepy Hollow" seats; the bedroom lounge and duplex roomette cars which are as inviting as your own living room. You'll be pleased with the courteous service you receive.

East or West, North or South, go Canadian National and travel in comfort.

You'll enjoy, too, staying at Canadian National hotels—they're conveniently located in ten cities from Coast to Coast.

For reservations and information regarding your business and pleasure travel needs, see, write or phone your local Canadian National Passenger Agent.

## CANADIAN NATIONAL

THE ONLY RAILWAY SERVING ALL TEN PROVINCES

**3 minutes  
and 1 dollar**

That's all you need to start building up that nest-egg of cash you've always wanted.

It takes scarcely more time to open a B of M savings account than it does to cash your pay-check. It's far more satisfying, too... for that dollar doesn't disappear like the rest of them. Three minutes and one dollar... use them for yourself—NOW.
